INSTRUCTIONS

I. INSTRUCTIONS

A. Authorized Users: Unless otherwise instructed by the Division of Purchases and Supply, all departments, institutions, agencies and other public bodies of the Commonwealth of Virginia, to include cities, counties, towns and political subdivisions, may order supplies under this agreement.

B. Excise Tax: Excise tax exemption registration No. 54-73-0076K may be used when required.

C. Inspection/Approval: Inspection on delivery and approval of Contractor's invoice is the responsibility of receiving state agency or public body.

D. Purchase orders will be submitted to the Contractor via the Commonwealth of Virginia's electronic procurement system, also known as eVA. The orders will be governed by this agreement and the terms and conditions contained in the separate agreement for participation in eVA executed by the contractor. To the maximum extent possible, orders shall be submitted to the contractor via the automated procurement system eVA.

E. Minimum Orders: There is no minimum order under this agreement. All supplies ordered under the agreement shall be priced as FOB destination.

F. Delivery Service: This contract contains both market basket and catalog discount pricing. For specific delivery information, refer to the delivery info page. In the event the item is not in stock and the delivery timeframe cannot be met, the Contractor shall contact the ordering activity to ascertain whether or not a back order is acceptable or to void the order.

G. SPECIAL EDUCATIONAL OR PROMOTIONAL DISCOUNTS: The contractor shall extend any special educational or promotional sale prices or discounts immediately to the Commonwealth during the term of the contract. Such notice shall also advise the duration of the specific sale or discount price.

H. Renewals: This contract contains no renewals.

General Terms

X. eVA Business-To-Government Vendor Registration: The eVA Internet electronic procurement solution, web site portal www.eVA.virginia.gov, streamlines and automates government purchasing activities in the Commonwealth. The eVA portal is the gateway for vendors to conduct business with state agencies and public bodies. All vendors desiring to provide goods and/or services to the Commonwealth shall participate in the eVA Internet e-procurement solution either through the eVA Basic Vendor Registration Service or eVA Premium Vendor Registration Service. All bidders or offerors must register in eVA; failure to register will result in the bid/proposal being rejected.

a. eVA Basic Vendor Registration Service: $25 Annual Registration Fee plus the appropriate order Transaction Fee specified below. eVA Basic Vendor Registration Service includes electronic order receipt, vendor catalog posting, on-line registration, electronic bidding, and the ability to research historical procurement data available in the eVA purchase transaction data warehouse.

b. eVA Premium Vendor Registration Service: $25 Annual Registration Fee plus the

appropriate order Transaction Fee specified below. eVA Premium Vendor Registration Service includes all benefits of the eVA Basic Vendor Registration Service plus automatic email or fax notification of solicitations and amendments.

c. For orders issued prior to August 16, 2006, the Vendor Transaction Fee is 1%, capped at a maximum of $500 per order.

d. For orders issued August 16, 2006 and after, the Vendor Transaction Fee is:

(i) DMBE-certified Small Businesses: 1%, capped at $500 per order.
(ii) Businesses that are not DMBE-certified Small Businesses: 1%, capped at $1,500 per order.

Special Term and Condition

59. eVA Business-To-Government Contracts and Orders: "It is anticipated that the contract will result in multiple purchase orders (i.e., one for each delivery requirement) with the eVA transaction fee specified below assessed for each order."

a. For orders issued prior to August 16, 2006, the Vendor Transaction Fee is 1%, capped at a maximum of $500 per order.

b. For orders issued August 16, 2006 and after, the Vendor Transaction Fee is:

(i) DMBE-certified Small Businesses: 1%, Capped at $500 per order.
(ii) Businesses that are not DMBE-certified Small Businesses: 1%, Capped at $1,500 per order.

The eVA transaction fee will be assessed approximately 30 days after each purchase order is issued. Any adjustments (increases/decreases) will be handled through eVA change orders.

Internet electronic procurement solution, web site portal www.eva.state.va.us , streamlines and automates government purchasing activities in the Commonwealth. The portal is the gateway for vendors to conduct business with state agencies and public bodies.

Vendors desiring to provide goods and/or services to the Commonwealth shall participate
in the eVA Internet e-procurement solution and agree to comply with the following:

If this solicitation is for a term contract, failure to provide an electronic catalog (price list) or index page catalog for items awarded will be just cause for the Commonwealth to reject your bid/offer or terminate this contract for default. The format of this electronic catalog shall conform to the eVA Catalog Interchange Format (CIF) Specification that can be accessed and downloaded from www.eVA.virginia.gov. Contractors should email Catalog or Index Page information to eVA-catalog-manager@dgs.virginia.gov.

Added:
Mandatory Acceptance of Small Purchase Charge Card: Purchasing charge cards offer State agencies and Institutions the opportunity to streamline their procedures for procuring and paying for small dollar goods and services. Vendors responding to this solicitation should note that acceptance of payment by purchase card is **mandatory (unless waived by DPS) within 90 days of contract award.** For current contracts where acceptance of the purchasing card is not in effect, **Contractors must (unless waived by DPS) accept purchase card payments within**

90 days of contract renewal.

Payment for orders issued against the contract(s) resulting from this solicitation must allow for the Purchase Order Number to be passed at the time of charge so that the Purchase Order Number is received by the card platform and passed to the Card provider. This can be accomplished by vendors establishing their card account at **Level 2**, **which is mandatory or Level 3 which is optional.** Information on the various levels for the GE MasterCard is indicated below.

Charge Card Levels:

The amount of data passed for each charge card payment depends on the level at which the charge card is established. The levels are delineated below and the preferred level by the Commonwealth is level 2.

Level 1 vendors provide basic credit card purchase information, including but not limited to the data listed below. By passing "Basic Data", the vendor has a standard interchange cost.

- Supplier Name
- Merchant Category Code
- Date
- Total Purchase Amount

Level 2 vendors provide additional information to the Level 1 elements, including, but not limited to the data listed below. By passing level 2 detail, the vendor will receive lower interchange costs. Level 2 is **mandatory** for any vendors who do business with the Commonwealth of Virginia and accept GE MasterCard.

- Customer Code (PCO Number from eVA)
- Vendor Tax ID

Level 3 vendors provide line item detail, in addition to the Level 1 and Level 2 elements, including, but not limited to the data listed below. By passing Level 3 (**which is optional)** data which is considered Superior data, the vendor will receive the lowest interchange costs.

- Item Description
- Item Quantity
- Item Unit of Measure
- Product Code
- Freight Amount
- Extended line Item Amount

MARKET BASKET AND CATALOG DISCOUNTS

THE FOLLOWING PRICE SHEETS LIST BOTH INDIVIDUAL LINE ITEM PRICING AND OVERALL CATALOG DISCOUNT.

TO USE THESE PRICE SHEETS PROCEED AS FOLLOWS:

1) Search the individually priced items for your requirement. The items that make up the market basket are listed from a statewide survey of each Agency to determine the top 200 - 300 hundred most commonly used MRO materials.

If you cannot find your needed item in the market basket --

2) Contact the contractor and determine the item's pricing using the stated catalog discounts.

The following has been added to this optional-use contract and may be utilized only in the event of an Emergency, Natural Disaster or Terrorism event. Contact Matt McMahan with questions on using the "homelandgrainger" site.

1. **Homeland Security/Emergency Preparedness Supply:** The Commonwealth of Virginia is adding this supplement to the contract based on Grainger's capability to support State/Local agencies in the event of an emergency, natural disaster or terrorism event. Grainger has the capability to:
    - Ensure State and Local Agencies use Homeland Security Funding on required equipment at http://homeland.grainger.com
    - Give customers access to over 3000 items on Homeland Security's Authorized Equipment List (AEL) and FEMA's Cache List.
    - Supply extended product availability during emergency need
    - Branch availability 24 Hours a day during emergencies
    - Dedicated Emergency Response and Support teams for disaster areas

2. **Grainger Line Extensions:** Grainger is a full line distributor for a number of its suppliers. These products range from catalog item replacement parts to line extensions of products not available in our catalog. Items that are not available in WW Grainger's catalog may not be purchased under the contract except under the condition of emergency, natural disaster or terrorism. Those products may be purchased under the Commonwealth of Virginia contract in the event of an emergency, natural disaster or terrorism event.

    Pricing will be provided by a government team representative based on Commonwealth of Virginia contract discounted pricing.
