If this solicitation is for a term contract, failure to provide an electronic catalog (price list) or index page catalog for items awarded will be just cause for the Commonwealth to reject your bid/offer or terminate this contract for default. The format of this electronic catalog shall conform to the eVA Catalog Interchange Format (CIF) Specification that can be accessed and downloaded from www.eVA.virginia.gov. Contractors should email Catalog or Index Page information to eVA-catalog-manager@dgs.virginia.gov.

For orders of less than $100.00, the contractor will be permitted to add actual transportation cost (prepaid) to invoice for payment, or the agency may purchase such order off contract from other sources. Partial shipments of less than the minimum order value which are made at the option of the contractor shall be made F.O.B. Delivered with no transportation charges added. If at the agency's request shipments are below the minimum order value, the contractor may add actual transportation cost to invoice for payment.

10. **PRICE ESCALATION/DEESCALATION**: Price adjustments may be permitted only for changes in the Contractor's cost of materials. The following U.S. Bureau of Labor Statistics, Product Price Index Series ID numbers will be used as a guide to determine increase or decrease: PCU202 # (Diary Products); PCU2026#2 (Packaged fluid milk and related products); WPU023 (Dairy Products), and WPU024102 (Canned Fruit Juices). No price increases will be authorized for 180 calendar days after the effective date of the contract. However, "across the board" price decreases are subject to implementation at any time and shall be immediately conveyed to the Commonwealth.

    Contractor shall give not less than 30 days advance notice of any price increase to the purchasing office. Any approved price changes will be effective only at the beginning of the calendar month following the end of the full 30 day notification period. The Contractor shall document the amount and proposed effective date of any general change in the price of materials. Documentation shall be supplied with the Contractor's request for increase which will: (1) verify that the requested price increase is general in scope and not applicable just to the Commonwealth of Virginia; and (2) verify the amount or percentage of increase which is being passed on to the Contractor by the Contractor's suppliers. The purchasing office will notify the using agencies and Contractor in writing of the effective date of any increase which it approves. However, the Contractor shall fill all purchase orders received prior to the effective date of the price adjustment at the old contract prices. The Contractor is further advised that decreases which affect the cost of materials are required to be communicated immediately to the purchasing office.

11. **RENEWAL OF CONTRACT**: This contract may be renewed by the Commonwealth upon written agreement of both parties for four (4) successive one-year periods, under the terms of the current contract, and at a reasonable time (approximately 90 days) prior to the expiration.

opening. Any price changes issued by the Milk Commission after the bid opening date and passed along to the contractor will adjust the contract price. Price adjustments shall take effect on the date authorized by the Commission.
