By:
Statewide Contract Officer

INSTRUCTIONS

1. **Purchase orders** will be submitted to the Contractor via the Commonwealth of Virginia's electronic procurement system, also known as eVA. The orders will be governed by this agreement and the terms and conditions contained in the separate agreement for participation in eVA executed by the contractor. If this contract is authorized for use by localities, Virginia cities, counties, town and political subdivisions may use this contract only if the orders are placed through eVA.

Written Purchase Orders Required by the Contractor. **When required by the contractor**, state agencies and public bodies will supply written purchase order forms for orders under \$5,000.

Verbal/Facsimile Orders. When a written purchase order is not required by the contractor, state agencies have the authority to place verbal and/or facsimile orders for requirements valued at less than \$5,000.
2. If this contract is authorized for use by localities (see line item 6, page 1), Virginia cities, counties, towns and political subdivisions may use their own form to order items listed in this contract.
3. The applicable contract number, federal employer identification number (FEI), and item number (for itemized contracts) must be shown on each purchase order and copy, each facsimile transmission or given verbally when telephonic orders are placed.
4. Inspection on delivery and approval of vendor's invoice is the responsibility of receiving state agency, Virginia city, county, town or political subdivision.
5. Any complaint as to quality, faulty or delinquent delivery, or violation of contract provisions by contractor shall be reported to the Division of Purchases and Supply for handling with the contractor. Preprinted forms (DGS-41-024), by which to facilitate the notification of the contractor and this office of complaints, are available from the Division of Purchases and Supply (786-8873).
6. **Renewals.** One (1) one year renewals remain. The decision as to whether to exercise the next renewal option will be made by the contract officer approximately sixty to ninety (60 to 90) days in advance of the expiration date of the current term.
7. **Price Adjustments.** This contract also contains a PRICE ESCALATION provision. During the current term of the contract, price escalation for essential items may be allowed every 365 days, if justified. The contract officer makes the decision to allow or deny a request for increase based upon the documentation submitted by the contractor. The contractor is required to pass on any price reductions immediately. **IMPORTANT!** All price increases must be approved by the contract officer. Contract users will be sent a Notice of Contract Change from this office as official notification of such changes, if approved.
8. **Minimum Orders.** Orders will be per attached listing by Contractor for F.O.B. delivery to ordering agency within the Commonwealth of Virginia. For orders of less than attached listing, the Contractor will be permitted to add actual transportation cost (prepaid) to invoice for payment or by a negotiated figure per the attached list, or the agency may purchase such order off contract from other sources. Partial shipments of less than the minimum order value which are made at the option of the contractor shall be made F.O.B. Destination with no transportation charges added. If at the agency's request shipments are below the minimum order value, the contractor may add actual transportation cost to invoice for payment or the approved figure per the attached list. **See vendor pages.**
9. **Delivery Service.** Delivery of all contract items shall be made within the time frame on the attached list. Contractor shall carry an adequate stock to insure such delivery service for the duration of the contract. **See Vendor Pages.**
10. **Mandatory Sources and Contracts:**
 - A. **Virginia Correctional Enterprises (VCE) is a mandatory source for all state agencies. Before purchasing items from this contract State Agencies must verify that VCE does not manufacture the items needed by the state agency or the state agency must get a release from VCE for items the VCE produces. There are also mandatory use state contract that state agencies must use before using this contract for purchasing.**

- B. **Virginia Industries for the Blind (VIB) is a mandatory source for all state agencies. Before purchasing items from this contract State Agencies must verify that VIB does not manufacture the items needed by the state agency or the state agency must get a release from VIB for items the VIB produces. See Contract 20031-01-08 Safety Vests.**
- C. **There may also be other mandatory use state contract that state agencies must use before using this contract for purchasing.**
11. **Pricing:** This contract consists of two different pricing structures. The first is the Essentials List that is composed of the line item awards with pricing attached to this notice. Covered in this notice are Professional Uniforms, Institutional Clothing, Work Safety and Protective, Recreational Clothing, Footwear, and accessories. The second is a discount from catalog price list that covers products not specifically listed in the line item awards. **See Vendor Pages.**
12. **Fees:**
- No service fees or additional costs will be invoiced to the Commonwealth by the Contractor during the term of this agreement (except as described in this award.)
 - Under certain conditions, Contractors will be permitted to add charges for special services and rush delivery (see vendor pages, Special Terms and Conditions, Special Service Charges).
 - There will be no return fees for inaccuracies or other errors on the part of the contractor
 - Any rush delivery that occurs as a result of Contractor's error (e.g., stock-outs, etc.) will be free of charge. No handling surcharges will be added or discounts lost for any rush or expedited orders.
13. **Quality Assurance Guarantees:** The Contractor(s) guarantees its products to be free from defects in materials and workmanship, given normal use and care, over the period of the manufacturer warranty. The terms of this contract will supersede any language to the contrary on purchase orders, invoices or other documents produced by the contractor(s), manufacturer(s), or other sources. The Contractor(s) is to agree to repair and/or immediately replace without charge (including freight both ways) to Contract Users any product or part thereof which proves to be defective or fails within the warranty period as specified.
14. **Product Availability:** Contractor(s) agree that there will be no cancellation of products used without an equal and acceptable replacement approved by the designated Commonwealth of Virginia representative during the term of the agreement. Contractors must communicate manufacturer's discontinuation of any products to the contract officer in writing within five (5) business days. In such instances, Contractors shall work with the contract officer(s) to identify and implement alternative options that shall maintain or reduce costs associated with the replacements. Contractors shall offer detailed quarterly reports if requested by the Commonwealth, displaying removed SKUs off of contract list and suggested replacements. Contractors will be prepared to offer suggested replacements of discontinued products at least 30 days prior to substitution, including replacement part number, description, list price, applicable discount, and final price.
15. **Inventory Level/Stock:** The contractor(s) shall maintain a sufficient level of inventory to satisfactory service each account.
16. **Ordering Methods:** The Commonwealth requires contractor(s) to accept orders via the eVA ordering system. Contractors must also have a local Virginia telephone number, or a toll free (800) number, or agree to accept collect calls. Each Contract User is responsible for placing its own orders, which may be accomplished by written purchase order, telephone, fax or computer on-line systems. Vendors using Electronic Funds Transfer (EFT) via eVA will generally get a lower transaction cost and save money compared to payment via the purchasing card.
17. **Freight Policy:** All shipments will be F.O.B. delivered to the specified location except as noted on the Vendor Pages. Contractor(s) is responsible for filing and expediting all freight claims with the carrier. The Contractor will pay title and risk of loss or damage charges. Emergency/rush delivery requiring special shipping and handling will be at Contract Users' expense (with prior approval only). Rush delivery that occurs as a result of the Contractor's error will be free of shipping charge to the requesting agency.
18. **Labels/ packing ships:**
- A packing label must be on the outside of each box that includes the following:

- Agency name
- Address
- Department and floor
- Contact
- Telephone number

A packing slip must also be included with each shipment, which will include at least the following information in no particular order:

- Line item number and brief description
- Quantity ordered
- Quantity shipped
- Any back order items
- Unit Price
- Number of parcels (i.e. One of two parcels)
- Purchase Order Number
- Agency Name and Department

19. **Packaging:** All deliveries for Professional Uniforms shall be packaged individually. Standard commercial packaging is acceptable for off the shelf items. Additional packaging information shall be negotiated between the ordering agency and the vendor.
20. **Site Delivery:** All shipments shall be made direct to each ordering agency/facility, F.O.B. destination with shipping charges pre-paid, as directed by the ordering customer and in compliance with shipping terms contained on the Vendor Pages. Partial Delivery will NOT be accepted for any item unless prior arrangements have been made with the ordering agency. Contractor shall comply with parking and delivery regulations (times, locations) required by the ordering agency.
21. **Late Deliveries and Non-Performance:** Late deliveries or non-performance resulting from any act, negligence or default of the part of ordering agencies, public enemy, war, embargo, fire, explosion, flood, or any other acts of God not cause by negligence or intentional act of the contractor or his supplier's), by riot, sabotage, or labor trouble that results from a cause or causes entirely beyond control or fault of the contractor or his supplier's), a reasonable extension of time as the ordering agencies deems appropriate may be granted. Upon receipt of a written request and justification for any extension of delivery time or performance from the contractor, the ordering agency may extend the time for performance or delivery of goods or services herein specified, if negotiated between the ordering agency and the contractor.
22. **Invoicing:** Contractor shall invoice only for items shipped to the respective ordering agency(s). This also applies to billing customer's small purchase charge card. Ordering agencies shall provide contract number, ship to and bill to address, contact name and phone number on the purchase order.
23. **Invoices:** All invoices submitted shall be itemized as following:
- Description of product and item number
 - Quantity ordered
 - Quantity shipped
 - Unit cost of the item
 - Total cost of the item
 - Cost of additional services such as sewing on buttons, strips, patches and emblems (if applicable) i.e.
 - Buttons
 - ½" nylatwist braid trouser strip
 - Patch etc.
 - Total Cost of the entire order

Any invoice not submitted as indicated may not be processed for payment.

24. **Payment Options:** State Agencies and Public Bodies may pay by check, electronic funds transfer, or with the Commonwealth's and Public Bodies' authorized small purchase charge card. Contractor(s) should be able to

accept the Commonwealth's and Public Bodies' card for single purchases under \$5,000 per transaction.

25. **Inspection:** Upon delivery, the items shall be inspected, and if found to be defective or failing in any way to meet the specifications as indicated, it will be rejected and returned to the Contractor as no charge to the agency.
26. **Returns:** Any materials delivered with hidden damage, in poor condition, in excess of the amount authorized by the purchase order or not included on the purchase order may, at the discretion of the Contract Users, be returned to the Contractor's warehouse at the Contractor's expense within 30 days. Credit for returned goods shall be made immediately once contractor receives returned goods.
27. **Customer Service:** The Contractor(s) should provide each of the designated contract users a single, local point of contact (and a backup) to handle questions and resolve problems that arise. At least one Customer Service Representative must be available during Contractor's operating hours. All service representatives must have on-line access to information to provide immediate response to inquiries concerning the status of orders (shipped or pending), delivery information, back-order information, State-wide contract pricing, contracted product offerings/exclusions, contract compliance requirements, and general product information. Representatives should be available by phone, fax, or email (local or 800 # preferred).
28. **Certification Labels:** Each garment will have sewn in, an individual label which states that the garment is guaranteed to meet the specifications outlined in the RFP. Unless a garment requires a sewn label, all labels in garments should be made of a durable fabric and printed with indelible ink. (No paper labels.) The inside of trousers shall be permanently marked with the waist size and rise. Collars of summer and winter shirts shall be permanently marked with the collar size and sleeve length. The sleeve length applies only to long sleeve shirts. All clothing items shall be labeled with manufacturer's name, size, fabric content and washing instructions according the Federal Fiber Identification Act. Sizes shall be according to Federal Commercial Standards
29. **Wearing Apparel Specifications:** All apparel shall be firsts, no seconds or irregulars. All apparel shall be packed with clean, pressed, shaped finish items free from any defects which may affect appearance or service ability. All apparel threads and other findings shall have color fastness equal to that of the fabric so that it can be handled without bleeding. All trim used shall have color fastness equal to remainder of garment or trim shall be easily removable. All cotton or part cotton fabrics shall be Sanforized material. All apparel shrinkage shall be a minimum of 1% not to exceed a maximum of 5%.

All clothing apparel shall be machine washable and dryable many items (including but limited to underwear, bars, socks, boxer, sleep wear, etc.) must withstand repeated laundering in an institutional environmental.
30. **Material:** Uniform fabric material shall be cold water shrunk and shall be Kamugraphed. Dimensions and locations shall be within + or - 1/8" as listed in the respective specifications, except as otherwise stated or approved. Fabric content shall be within + or - 5% as listed in the respective specifications.
31. **Packaging:** Uniform shirts shall be packaged individually in poly bags with two (2) shirts per box and with the shirt size and quantity marked on the outside end of each box. Uniform slacks shall be packaged individually in poly bags with four (4) pair per box, quantity, size, including rise, marked on the outside end of each box. Box ends shall also indicate whether the box contains slacks, long or short sleeve shirts. Box size for shirts shall be approximately 9" Wide x 4" High x 14" Long. Box size for slacks shall be approximately 16" Wide x 4" High x 21" Long.
32. **Sizing:** When shipping different sizes of any items, contractor shall package each size separately.
33. **Size Charts:** If requested, the contract shall submit a **size chart** to the requesting agency.
34. **Security Rules and Regulations:** The contractor shall be responsible for ensuring that all personnel connected with the work comply with the rules and regulations of the Agency. The Contractor shall maintain proper security and control over all personnel, equipment, tools and materials at all times. The Contractor's equipment and personnel shall be subject to security checks and associated delays there from.

A. Delivery to the Department of Corrections:

- There shall be no verbal discussion or physical contact between a Contractor's employees and inmates.
- Anyone bringing any inmate any item such as weapons, tools, food, drink, clothing, cigarette, matches, correspondence, printed or electronic media or assisting inmates to escape, is in violation of State Law and will result in prosecution.
- No weapon, alcohol, drugs or medications of any type are allowed on State property.
- Keys shall be removed from all vehicles and other mobile equipment at all times when not in operation. Vehicle doors and tool compartments shall be locked at all times when not in use. Ladders left on vehicles shall be chained and locked at all times.
- No tools shall be left about the job site unattended. When not in use, all tools and ladders shall be securely locked.
- Any tools, especially any type of cutting tool, if left unattended will be confiscated.
- All tools and ladders shall be removed daily from inside of the Institution. If storage is desired on Institution property, arrangements shall be made with the Secretary Chief of Director of Buildings and Grounds.
- All security regulations shall be observed at all times. These will be made known to the contractor and his representatives by the Institutional Security Chief or his designee, at the point of entrance to the Institution.
- All persons entering the prison complex are subject to being searched.

The return policy of Uniforms Manufacturing is as follows:
 Uniforms Manufacturing guarantees its products against defects in manufacture only. Because applications vary, no use warranty is implied or intended. The buyer should make a careful analysis of the use by which these products are purchased. It will be the buyer's responsibility to determine whether these products will adequately protect the wearer in the environment in which they are to be used. No oral representation inconsistent with the above shall be binding. In the case of an incorrect order placement any merchandise returned to Uniforms Manufacturing is subject to a 20% restocking fee plus the cost of outbound and inbound freight. All garments must remain unwashed and in a resalable condition. Customized apparel, which includes direct embroidery, alterations and non-stock sizes, may not be returned under any condition.
