INSTRUCTIONS

1. **ORDERS:**
 - A. Unless otherwise instructed by the Division of Purchases and Supply, all departments, institutions and agencies of the Commonwealth of Virginia will order items/services through eVA.
 - B. If this contract is authorized for use by localities, Virginia cities, counties, towns and political subdivisions, orders will be placed through eVA to the maximum extent possible.
2. The applicable contract number, federal employer identification number (FEI), and item number (for itemized contracts) must be shown on each purchase order and copy, each facsimile transmission or given verbally when telephonic orders are placed.
3. Inspection on delivery and approval of vendor's invoice is the responsibility of receiving state agency, Virginia city, county, town or political subdivision.
4. Any complaint as to quality, faulty or delinquent delivery, or violation of contract provisions by contractor shall be reported to the Division of Purchases and Supply for handling with the contractor. Preprinted forms (DGS-41-024), by which to facilitate the notification of the contractor and this office of complaints, are available from the Division of Purchases and Supply (786-8873).
5. **Renewals.** One (1) one year renewals remain. The decision as to whether to exercise the next renewal option will be made by the contract officer approximately four to six months in advance of the expiration date of the current term.

SPECIAL INSTRUCTIONS

1. The applicable contract number, federal employer identification number (FEI), and item number must be shown on each purchase order and copy.
2. Inspection on delivery and approval of vendor's invoice is the responsibility of the receiving units. Care should be exercised to ensure charges are in accordance with the pricing schedule attached.
3. Any complaints as to quality, faulty or delinquent delivery, or violations of contract provisions by the Contractor shall be reported to the Department of Corrections, Central Office, Procurement and Risk Management for handling with the Contractor.

SCOPE: THE INTENT AND PURPOSE OF THIS AGREEMENT IS TO ESTABLISH A FIVE YEAR FULL SERVICE CONTRACT, THROUGH COMPETITIVE NEGOTIATIONS, FOR SUBSTANCE ABUSE, DRUG TESTING, REAGENTS, TRAINING, TECHNICAL SUPPORT, EQUIPMENT AND ALL REQUIRED MAINTENANCE.

THE ONLY CHARGES ASSOCIATED WITH THIS CONTRACT ARE CHARGES FOR THE “DRUG TESTING REAGENTS” USED IN THE TESTING EQUIPMENT FROM DADE BEHRING, INC.

Commonwealth of Virginia
Department of General Services

Contact No. 26936-60

February 1, 2006

1. Dade Behring shall provide, in accordance with the Contract No. 26936-60 the following types of analyzers (all of the below listed types of equipment provided under the Contract are collectively referred to as “analyzers”).
 - a. ETS Analyzer- the ETS Analyzer is a tabletop analyzer that will process approximately 60 tests per hour. The agency only purchases the EMIT ® reagents from Dade Behring for the analyzer. All calibrators, controls, and consumables for the ETS are included at no additional charge to the state agency. A complete list of part numbers and pricing for the ETS reagents can be found enclosed.
 - b. Viva-Junior- The Junior is a new tabletop analyzer that will be available in January of 2006. This analyzer will replace the current ETS testing system listed above. The Junior will process approximately 80 tests per hour, and holdup to 25 samples per run. The pricing will be the same as the Viva-E Analyzer.
 - c. Viva-E Analyzer-The Viva-E Analyzer is a tabletop analyzer that will process approximately 133 tests per hour. The agency only purchases the EMIT ® reagents from Dade Behring for the analyzer. All calibrators, controls, and consumables for the Viva-E are included at no additional charge to the state agency. A complete list of part numbers and pricing for the Viva-E reagents can be found enclosed.
 - d. V-Twin Analyzer-The V-Twin Analyzer is a floor analyzer that will process approximately 260 tests per hour. The agency only purchases the EMIT ® reagents from Dade Behring for the analyzer. All calibrators, controls, and consumables for the V-Twin are included at no additional charge to the state agency. A complete list of part numbers and pricing for the V-Twin reagents can be found enclosed.
 - e. Olympus 400 Analyzer- the Olympus Analyzer is a floor analyzer that will process approximately 400 tests per hour. The agency only purchases the EMIT ® reagents from Dade Behring for the analyzer. All calibrators, controls, and consumables for the Olympus 400 are included at no additional charge to the state agency. A complete list of part numbers and pricing for the Olympus 400 can be found enclosed.
2. Dade Behring shall provide, without additional charge to the State, all of the following services for the Analyzers:
 - a. ETS, Viva-E, V-Twin: For each analyzer placed, Dade Behring will provide one Annual Preventive Maintenance visit at no additional charge. A Dade Behring Service Engineer will contact each location and make an appointment in order to do the Preventive Maintenance. In addition, Dade Behring will provide basic Monday through Friday basic service for the ETS, Viva-E, and V-Twin analyzer. If the analyzer needs any type of service, repair, or parts during the year, Dade Behring will either dispatch a Service Engineer or Application Specialist to the facility to repair the analyzer at no additional charge. In addition, Dade Behring does have available a 24 hour hotline for all Technical Service, at no additional charge.

- b. Olympus 400-For each Olympus 400 Analyzer placed, Dade Behring will provide 2 Annual Preventive Maintenance visits at no additional charge. An Olympus Service Engineer will contact the location and make an appointment to do the Preventive Maintenance. Dade Behring and Olympus will provide Monday through Friday basic service for the Olympus 400. If the analyzer needs any type of service, repair, or parts during the year, Dade Behring will either dispatch an Olympus Service Engineer or Dade Behring Application Specialist to the facility to repair the analyzer at no additional charge.
3. Dade Behring will provide, without charge to the State, the following training:
 - a. ETS- Dade Behring will provide any additional training for the ETS Analyzer at no additional cost at the customer's location.
 - b. Viva-E –Dade Behring will provide (1) training slot per analyzer placed at the Dade Behring training facility located in Newark, Delaware. The class is a 3 ½ day class, and Dade Behring will provide all meals and lodging at no additional cost. If any location needs additional staff trained, Dade Behring will dispatch an Application Specialist on-site to the customer's location for training.
 - c. V-Twin-Dade Behring will provide (1) training slot per analyzer placed at the Dade Behring training facility located in Newark, Delaware. The class is a 3 ½ day class, and Dade Behring will provide all meals and lodging at no additional cost. If any location needs additional staff trained, Dade Behring will dispatch an Application Specialist on-site to the customer's location for training.
 - d. Olympus 400 – Dade Behring will provide (2) training slots per analyzer placed at the Olympus training facility in Dallas, Texas. All airfare, meals, and lodging will be provided at no additional charge. The class is 1 week.
4. Dade Behring will provide, with no additional charge, the following Data Management Systems with the analyzers:
 - a. EDMS Data Management- The current existing ETS customers within the state of Virginia who have an existing ETS analyzer, also have the EDMS Data Management System. This EDMS is linked directly to the ETS in order to capture various data from the ETS System. The EDMS will print a variety of individual and statistical reports for drug testing information.
 - b. Wintox Data Management-The newer Viva-E, V-twin, and Olympus analyzers will have the Wintox Data Management System placed with these analyzers.
5.
 - a. **Customer's Responsibilities:** (a) YOU AGREE NOT TO SELL, TRANSFER, LEASE OR DISPOSE OF THE EQUIPMENT OR TO PERMIT ANY OTHER PERSON TO HAVE ANY INTEREST IN IT. You shall keep the Equipment free of all liens and encumbrances. You shall not move the Equipment from the Equipment location without our prior written consent. (b.) You agree that you will use the Equipment solely for your business purposes in the manner for which it was intended. (c) You shall keep the Equipment in good repair, condition and working order, ordinary wear and tear excepted. You shall perform all maintenance requirements described in the manuals provided by the manufacturer and keep the Equipment safe from hazards. All replacement parts and attachments shall become part of the Equipment. (d) You shall maintain primary insurance on the Equipment upon delivery at your own cost either with a commercial insurance company acceptable to Dade Behring or through self-insurance. (e) You shall give us reasonable access to inspect the Equipment.
 - b. **Title:** Dade Behring will retain title to the Equipment. You agree to clearly indicate that the Equipment is the sole property of Dade Behring. You also agree that Dade Behring may file a UCC financing statement, or any other document or instrument required by law, to give public notice of Dade Behring's interest in the equipment.
 - c. Dade Behring warrants that the Consumables are free from defects in material and

workmanship and conform to the labeling claims which accompany them. Dade Behring promises that if you use the Equipment as would be normally expected, and it fails to meet the claims made for it in its labeling, Dade Behring will repair or replace the Equipment in accordance with the service arrangement set forth in this Agreement. Dade Behring also promises that the use of the Equipment and the Consumables in the form delivered to you and in accordance with their instructions will not infringe the U.S. patent of any third party. This promise does not cover the use of the Equipment or Consumables in combination with any other product or equipment. Dade Behring Equipment and Consumables are designed and certified with applicable regulatory authorities as an integrated instrument/reagent/consumable system. Use of unapproved parts or consumables with your Dade Behring Equipment and Consumables will void any warranty and any service contract you may have with Dade Behring. Dade Behring is not required to add any design, engineering, or performance change or development into the Equipment after it is delivered to you. In no event will Dade Behring's obligations herein require it to pay more than the aggregate purchase price of the Consumables you have purchased during the term of this Agreement. DADE BEHRING MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY WARRANTY AS TO DESIGN, MERCHANTABILITY, OR FITNESS OR ANY PURPOSE IN CONNECTION WITH THE EQUIPMENT OR CONSUMABLES. You will not make any claim against Dade Behring or its Assignee for any special consequential or incidental damages, and no assignee of Dade Behring will be responsible to you for any problem or claim in connection with a) the use, operation or performance of the Equipment; b) any interruption of service, loss of business or anticipated profits; or c) the delivery, servicing, maintenance, repair or replacement of the Equipment. No oral or written promises as to the Equipment or Consumables which conflict with the statements in this Paragraph will bind Dade Behring unless signed by an authorized representative of the party to be bound.
