  - a. For orders issued prior to August 16, 2006, the Vendor Transaction Fee is 1%, capped at a maximum of \$500 per order.

b. For orders issued August 16, 2006 and after, the Vendor Transaction Fee is:

- (i) DMBE-certified Small Businesses: 1%, Capped at \$500 per order.
- (ii) Businesses that are not DMBE-certified Small Businesses: 1%, Capped at \$1,500 per order.

The eVA transaction fee will be assessed approximately 30 days after each purchase order is issued. Any adjustments (increases/decreases) will be handled through eVA change orders.

Internet electronic procurement solution, website portal [www.eva.state.va.us](http://www.eva.state.va.us), streamlines and automates government purchasing activities in the Commonwealth. The portal is the gateway for vendors to conduct business with state agencies and public bodies.

Vendors desiring to provide goods and/or services to the Commonwealth shall participate in the eVA Internet e-procurement solution and agree to comply with the following:

If this solicitation is for a term contract, failure to provide an electronic catalog (price list) or index page catalog for items awarded will be just cause for the Commonwealth to reject your bid/offer or terminate this contract for default. The format of this electronic catalog shall conform to the eVA Catalog Interchange Format (CIF) Specification that can be accessed and downloaded from [www.eVA.virginia.gov](http://www.eVA.virginia.gov). Contractors should email Catalog or Index Page information to [eVA-catalog-manager@dgs.virginia.gov](mailto:eVA-catalog-manager@dgs.virginia.gov).

8. **DELIVERY POINT:** All items shall be F.O.B. Delivered to any point within the Commonwealth of Virginia as directed by ordering department, institution or agency of the Commonwealth or Public bodies of the Commonwealth as defined in Section 2.2-4301 of the Virginia Public Procurement Act.
9. **MINIMUM ORDERS** will be \$100.00 for F.O.B. Delivered to ordering agency within the Commonwealth of Virginia. For orders of less than \$100.00, the contractor will be permitted to add actual transportation cost (prepaid) to invoice for payment, or the agency may purchase such order off contract from other sources. Partial shipments of less than the minimum order value which are made at the option of the contractor shall be made F.O.B. Delivered with no transportation charges added. If at the agency's request shipments are below the minimum order value, the contractor may add actual transportation cost to invoice for payment.
10. **PRICE ESCALATION/DEESCALATION:** Price adjustments may be permitted only for changes in the Contractor's cost of materials. The following U.S. Bureau of Labor Statistics, Product Price Index Series ID numbers will be used as a guide to determine increase or decrease: PCU202 # (Diary Products); PCU2026#2 (Packaged fluid milk and related products); WPU023 (Dairy Products), and WPU024102 (Canned Fruit Juices). No price increases will be authorized for 180 calendar days after the effective date of the contract. Price escalation may be permitted only at the end of this period and each 180 days thereafter and only where verified to the satisfaction of the purchasing office. However, "across the board" price decreases are subject to implementation at any time and shall be immediately conveyed to the Commonwealth.

Contractor shall give not less than 30 days advance notice of any price increase to the purchasing office. Any approved price changes will be effective only at the beginning of the calendar month following the end of the full 30 day notification period. The Contractor shall document the amount and proposed effective date of any general change in the price of materials. Documentation shall be supplied with the Contractor's request for increase which will: (1) verify that the requested price increase is general in scope and not applicable just to the Commonwealth of Virginia; and (2) verify the amount or percentage of increase which is being passed on to the Contractor by the Contractor's suppliers. The purchasing office will notify the using agencies and Contractor in writing of the effective date of any increase which it approves. However, the Contractor shall fill all purchase orders received prior to the effective date of the price adjustment at the old contract prices. The Contractor is further advised that decreases which affect the cost of materials are required to be communicated immediately to the purchasing office.

11. **RENEWAL OF CONTRACT:** This contract may be renewed by the Commonwealth upon written agreement of both parties for four (4) successive one-year periods, under the terms of the current contract, and at a reasonable time (approximately 90 days) prior to the expiration.

12. PRICE ADJUSTMENTS BY MILK COMMISSION: Bid prices for dairy items shall be adjusted to reflect any increases or decreases authorized by the Virginia State Milk Commission to Milk producers and passed along to the contractor. Bid prices shown on bid shall be based on Milk Commission prices in effect at time of bid opening. Any price changes issued by the Milk Commission after the bid opening date and passed along to the contractor will adjust the contract price. Price adjustments shall take effect on the date authorized by the Commission. (NOTE: Price adjustments authorized by the Commission and applied herein are excluded from the provisions of the PRICE ESCALATION/DEESCALATION clause of the Special Terms and Conditions section of this solicitation). Price adjustments by the Milk Commission do not apply to non-dairy contract items.
