Certified SWaM
DMBE certification number: R-3369
Contract Title: Consulting Services
Category 15:
CONTINUITY OF OPERATIONS PLANNING
(COOP)
NIGP Code: 91800 Consulting Services
eVA Procurement Folder: 14804

LEADING EDGE SYSTEMS RICHMOND DIFFERENTIATORS:

Leading Edge Systems Richmond utilizes an enterprise approach to continuity planning which allows us to leverage existing agency information required from other COVA policies, standards, and guidelines. Our mastery of continuity planning allows us to often save significant agency resources by minimizing both the time and cost required by COVA agencies in meeting these compliance objectives.

ORDERING PROCESS:

- Our intention is always to “partner” with our clients to share in their expectations toward meeting production goals, while working efficiently and cost effectively for success.
To begin this conversation: Contact Jennifer Wallace, Contracts Administrator to discuss your requirements.
- If necessary, we will set up a meeting to review your needs in detail, and discuss the appropriate course of action to fulfill these needs in both a timely and cost-effective manner.
- We will provide a contract proposal with scope of work and any additional specific project-related documentation for your distribution, review, and signature.
