

## INSTRUCTIONS

1. Orders. Unless otherwise instructed by the Division of Purchases and Supply, all departments, institutions and agencies of the Commonwealth of Virginia may order items listed by issuing eVA purchase orders or by issuing their own purchase order form.

Written Purchase Orders Required by the Contractor. **When required by the contractor**, state agencies and public bodies will supply written purchase order forms for orders under \$5,000.

Verbal/Facsimile Orders. When a written purchase order is not required by the contractor, state agencies have the authority to place verbal and/or facsimile orders for requirements valued at less than \$5,000.

Purchase orders will be submitted to the contractor via the Commonwealth of Virginia's electronic procurement system, also known as eVA. The orders will be governed by this agreement and the terms and conditions contained in the separate agreement for participation in eVA executed by the contractor.

2. If this contract is authorized for use by localities Virginia cities, counties, towns and political subdivisions may use their own form to order items listed in this contract.
3. The applicable contract number, eVA vendor identification number and item number (for itemized contracts) must be shown on each purchase order and copy, each facsimile transmission or given verbally when telephonic orders are placed.
4. Inspection on delivery and approval of vendor's invoice is the responsibility of receiving state agency, Virginia City, County, Town or political subdivision.
5. Any complaint as to quality, faulty or delinquent delivery, or violation of contract provisions by contractor shall be reported to the Division of Purchases and Supply for handling with the contractor. Preprinted forms (DGS-41-024), by which to facilitate the notification of the contractor and this office of complaints, are available from the Division of Purchases and Supply (786-8873).
6. Renewals. Two (2) one (1) year renewals available.
7. Price Adjustments. May only occur on specified items listed once per year on the contract anniversary date. Items offered in the manufacturer's catalog, but not specified, at a discount off manufacturer's catalog price may 'float' however, the discount must remain the same.

MPH Industries is offering a **discount off ALL** other items in their catalog of 10% that are not specifically listed below. **Parts are included** and discounted at 10% off catalog price for Radar and 5% discount off Lidar parts. Their website is [www.mphindustries.com](http://www.mphindustries.com) to get specifications and information on items offered. Items specified below are on a punch-out and pricing is fixed for 12 months at a time. Items in the vendor's catalog with the 10 % discount are not a fixed price and may fluctuate up and/or down with markets, however the discount remains the same.

An eVA **punch out** is available **only for those items listed below**; other catalog items do not have a punch out. Special shipping instructions must be specified when an order is placed so applicable charges may be quoted. If notification of a particular individual is required to receive notification before an item ships or when it will arrive the name, phone number and Email address must be provided at the time the order is placed and the time notification is made (24 hours before delivery, 48 hours before delivery, date of shipment, etc.).

**Calibration** is \$75.00 per unit, radar or lidar.

Additional charges will be allowed for shipping that is not the ordinary method customarily used by the vendor and would include 'Rush', 'Overnight' and the like.

Vendors are to provide a unit, installed for field testing, at no charge, within ten (10) days after receipt of written request to do so. Field testing is not to exceed 30 days unless agreed to in writing by both parties.

MPH Industries has also agreed to provide additional maintenance services at no additional charge (see the attachment at the end of this document). When orders are placed, the Agency or Locality placing the order must specify what kind of copies are desired, who the contact person is with a phone number and Email.

MPH Industries Maintenance Contracts are available for the Prices listed as follows:

Ranger, warranted for 3 years, Maintenance Contract \$300.00/year;

III. CATALOGS and MANUALS:

- A. Parts manuals, service manuals, operator’s manuals, and/or other materials are requested and are not to be bid as separate items. All materials shall be furnished to Ordering Department or Agency as applicable to the equipment being bid, at no additional cost. Ordering Department or Agency will not complete payment of any equipment purchase order until the requested information has been received via one or more of the following methods, approved, and accepted:  
  
Physical delivery of media (2 electronic media, 2 hard copy manuals or a combination of both);
- B. Access to and approval to reproduce from the manufacturer web site.
- C. All CDs, DVDs, and/or other electronic memory media supplied in response to these requirements must be original media provided by the respective OEM(s). Purchase of one OEM version and copying the data to blank media to produce the second copy is not acceptable.

- D. Ideally, materials provided should be as follows; one hard copy and one copy in electronic format recognizable and useable by Ordering Department or Agency. All electronic pages should be in Adobe pdf file format with no encryption, de-skewed for proper viewing. All colored text and graphics should be maintained including wiring schematics. Electronic manuals should represent the text associated with manuals with accuracy of 99+%.
- E. In lieu of electronic format, Ordering Department or Agency may accept four (4) original paper versions of items listed below. Where appropriate, the paper version is to be presented in 8.5" by 11" portrait presentation.

Required Materials Include:

Four (4) original media copies of each of the following. These manuals shall cover all systems, components, and accessories for the specific make and model of equipment bid. This includes accessory options, add-on equipment, and components addressed in supplementary manuals.
