4. Any complaint as to quality, faulty or delinquent delivery, or violation of contract provisions by contractor shall be reported to the Division of Purchases and Supply for handling with the contractor. Preprinted forms (DGS-41-024), by which to facilitate the notification of the contractor and this office of complaints, are available from the Division of Purchases and Supply (786-8873).
5. **Renewals:** Three (3), one-year renewals remain. The decision as to whether to exercise the next renewal option will be made by the contract officer approximately four to six months in advance of the expiration date of the current term.
6. **Purchase Report:** The Contractor(s) shall furnish the Division of Purchases and Supply reports of the total dollar volume of purchases by ordering Agency and the total number of each contract item ordered under this contract (at the discretion of the contract officer), with dollar amounts on an annual basis.
7. **Price Escalation:** Price adjustments may be permitted for changes in the contractor(s)' costs. Price adjustment authorization shall be determined by any applicable index or indices and/or other market indicators that are reflective of the current marketplace, as approved by the Division of Purchases and Supply. No price increases will be authorized for 365 calendar days after the effective date of the contract, Price escalation may be permitted only at the end of this period and each 365 days thereafter and only where verified to the satisfaction of the purchasing office. Any approved price changes will be effective only at the beginning of the calendar month following the end of the full 30-day notification period.

The contractor shall document the amount and proposed effective date of any general change in the contractor's costs. Documentation shall be supplied with the contractor's request for increase which will: (1) verify that the requested price increase is general in scope and not applicable just to the Commonwealth of Virginia; and (2) define the source of increase and verify the amount or

percentage of increase, which is being passed on to the contractor. The purchasing office will notify the using agencies and contractor in writing of the effective date of any increase, which it approves. 8. **Small Purchase Charge Card SPCC** Part 1 - Purchasing charge cards offer State agencies and Institutions the opportunity to streamline their procedures for procuring and paying for small dollar goods and services. Vendors responding to this solicitation should not that acceptance of payment by purchase card is mandatory (unless waived by DPS) within 90 days of contract award. For current contracts where acceptance of the purchasing card is not in effect, Contractors must (unless waived by DPS) accept purchase card payments within 90 days of contract renewal. Payment for orders issued against the contract(s) resulting from this solicitation must allow for the Purchase Order Number to be passed at the time of charge so that the Purchase Order Number is received by the card platform and passed to the Card provider. This can be accomplished by vendors establishing their card account at Level 2, which is mandatory or Level 3, which is optional. Information on the various levels for the Bank of America VISA Purchasing Card is indicated below.

Charge Card Levels: The amount of data passed for each charge card payment depends on the level at which the charge card is established. The levels are delineated below and the preferred level by the Commonwealth is Level 2. Level 1 - vendors provide basic credit card purchase information, including but not limited to the following data: Supplier Name; Merchant Category Code; Date; and Total Purchase Amount. By passing Basic Date, the vendor has a standard interchange cost. Level 2 - vendors provide additional information to the Level 1 elements, including, but not limited to the following data: Customer Code (PCO Number from eVA); and Vendor Tax ID. By passing Level 2 detail, the vendor will receive lower interchange costs. Level 2 is Mandatory for any vendors who do business with the Commonwealth of Virginia and accept Bank of America VISA Purchasing Card.

Level 3 - vendors provide line item detail, in addition to the Level 1 and Level 2 elements, including, but not limited to the following data: Item Description; Item Quantity; Item Unit of Measure; Product Code; Freight Amount; and Extended Line Item Amount. By passing Level 3 (which is optional) data which is considered Superior data, the vendor will receive the lowest interchange costs.

The agency, its authorized agents, and/or state auditors shall have full access to and the right to examine any of said materials during said period.
10. **Cancellation of Contract**: The purchasing agency reserves the right to cancel and terminate any resulting contract, in part or in whole, without penalty, upon 60 days written notice to the contractor. In the event the initial contract period is for more than 12 months, the resulting contract may be terminated by either party, without penalty, after the initial 12 months of the contract period upon 60 days written notice to the other party. Any contract cancellation notice shall not relieve the contractor of the obligation to deliver and/or perform on all outstanding orders issued prior to the effective date of cancellation.

11. **eVA BUSINESS-TO-GOVERNMENT CONTRACTS AND ORDERS**: The solicitation/contract will result in multiple purchase order(s) with the eVA transaction fee specified below assessed for each order.

The eVA Internet electronic procurement solution, website portal www.eva.virginia.gov, streamlines and automates government purchasing activities in the Commonwealth. The portal is the gateway for vendors to conduct business with state agencies and public bodies.

Vendors desiring to provide goods and/or services to the Commonwealth shall participate in the eVA Internet e-procurement solution and agree to comply with the following:

If this solicitation is for a term contract, failure to provide an electronic catalog (price list) or index page catalog for items awarded will be just cause for the Commonwealth to reject your bid/offer or terminate this contract for default. The format of this electronic catalog shall conform to the eVA Catalog Interchange Format (CIF) Specification that can be accessed and downloaded from www.eVA.virginia.gov. Contractors should email Catalog or Index Page information to **eVA-catalog-manager@dgs.virginia.gov**.

12. **Inside Delivery**: Discounts must include all costs for inside delivery to room specified at delivery address, and if required; installation, labor, travel, parts and consumables required for set-up and technical support. 14. **Warranty (Commercial):** The contractor agrees that the goods or services furnished under any award resulting from this solicitation shall be covered by the most favorable commercial warranties the contractor gives any customer for such goods or services and that the rights and remedies provided therein are in addition to and do not limit those available to the Commonwealth by any other clause of this solicitation.

15. **State Corporation Commission Identification Number:** Pursuant to Code of Virginia, §2.2-4311.2 subsection B, a bidder organized or authorized to transact business in the Commonwealth pursuant to Title 13.1 or Title 50 is required to include in its bid or proposal the identification number issued to it by the State Corporation Commission (SCC). Any bidder that is not required to be authorized to transact business in the

Commonwealth as a foreign business entity under Title 13.1 or Title 50 or as otherwise required by law is required to include in its bid or proposal a statement describing why the bidder is not required to be so authorized. Indicate the above information on the SCC Form provided.

Contractor agrees that the process by which compliance with Titles 13.1 and 50 is checked during the solicitation stage (including without limitation the SCC Form provided) is streamlined and not definitive, and the Commonwealth's use and acceptance of such form, or its acceptance of Contractor's statement describing why the bidder was not legally required to be authorized to transact business in the Commonwealth, shall not be conclusive of the issue and shall not be relied upon by the Contractor as demonstrating compliance.

16. **Financial Warranty:** Contractor shall ensure that the prices, discounts, incentives, and other financial terms (collectively, the "financial deal") applicable to purchases under this Contract is always at least as favorable to the purchaser as the financial deal that the Contractor or its affiliates make available to any public body in Virginia for the same good(s)/service(s) outside this Contract. Throughout the term of this Contract, if Contractor (or any affiliate) makes a better financial deal available to a public body in Virginia for any good(s)/service(s) available under this Contract, Contractor shall immediately notify DGS of the details and, at DGS's option, sign an amendment to this Contract, so that an equivalent financial deal for the affected good(s)/service(s) is also available as an option under this Contract. Contractor may request exemption if the better financial deal was for a spot purchase, and DGS shall grant such request if DGS in good faith finds that the spot purchase involved special circumstances affecting cost that would make it unfair to apply an equivalent financial deal outside of that spot purchase. Upon DGS's request (and annually on August 1), Contractor shall submit to DGS an affidavit certifying full compliance with this Section. The Contractor (and any affiliate) shall waive any contractual or other right that inhibits any public body in Virginia from disclosing to DGS or others the financial terms made available to the public body, and upon request from DGS, Contractor shall ensure that a signed confirmation of the waiver is provided to the public body and DGS. As used in this Section, an affiliate is any entity that controls, is controlled by, or is under common control with, the Contractor.

H. MANDATORY USE OF STATE FORM

MANDATORY USE OF STATE FORM AND TERMS AND CONDITIONS FOR IFB's: Failure to submit a bid on the official state form provided for that purpose shall be a cause for rejection of the bid. Modification of or additions to any portion of the Invitation for Bids may be cause for rejection of the bid; however, the Commonwealth reserves the right to decide, on a case by case basis, in its sole discretion, whether to reject such a bid as nonresponsive. As a precondition to its acceptance, the Commonwealth may, in its sole discretion, request that the bidder withdraw or modify nonresponsive portions of a bid which do not affect quality, quantity, price, or delivery. All invoices shall show the state contract number and/or purchase order number; social security number (for individual contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations). b.) Any payment terms requiring payment in less than 30 days will be regarded as requiring payment 30 days after invoice or delivery, whichever occurs last. Charges which appear to be unreasonable will be researched and challenged, and that portion of the invoice held in abeyance until a settlement can be reached. Upon determining that invoiced charges are not reasonable, the Commonwealth shall promptly notify the contractor, in writing, as to those charges which it considers unreasonable and the basis for the determination. A contractor may not institute legal action unless a settlement cannot be reached within thirty (30) days of notification. To Subcontractors: a.) A contractor awarded a contract under this solicitation is hereby obligated: (1) To pay the subcontractor(s) within seven (7) days of the contractor's receipt of payment from the Commonwealth for the proportionate share of the payment received for work performed by the subcontractor(s) under the contract; or (2) To notify the agency and the subcontractor(s), in writing, of the contractor's intention to withhold payment and the reason. (continued on part 3)

The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier contractor performing under the primary contract. A contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Commonwealth. 3.) Each prime contractor who wins an award in which provision of a SWAM procurement plan is a condition to the award, shall deliver to the contracting agency or institution, on or before request for final payment, evidence and certification of compliance (subject only to insubstantial shortfalls and to shortfalls arising from subcontractor default) with the SWAM procurement plan. Final payment under the contract in question may be withheld until such certification is delivered and, if necessary, confirmed by the agency or institution, or other appropriate penalties may be assessed in lieu of withholding such payment.
