

HSM® Classic

OFFICE TECHNOLOGY

80.2 document shredder

- Automatic start/stop control
- Standby operation without power consumption
- Working width is 9"
- Crosscut models can cut up to approximately 5 sheets per run, Strip cut: up to 12 sheets per run (see specifications)
- Rocker switch for on/off and reverse
- Hardened solid-steel cutting rollers can handle occasional standard paperclips or staples
- Powerful drive for high performance, motor with protected thermal fuse
- Runs quietly.
- The tried-and-tested closed-tooth wheel drive prevents penetration of dirt and slows wear, increasing the service life

| Specifications | Strip cut | Cross cut |
|------------------------------------|--------------------|------------|
| HSM part # | HSM1080 • HSM1081 | HSM1082 |
| Cutting size | 1/8" • 1/4" | 5/32" x 1" |
| Security level DIN 32757-1 | 2 • 2 | à |
| Security level DIN 66399 | P-2 • P-2 | P-4 / F-1 |
| Cutting capacity per run in sheets | 7-8 • 10-12 | à |
| Cutting speed | 16 ft./min. | |
