**Section 001****SCOPE - MASTER AGREEMENT**

The contract was established competitively - and is mandatory for state agencies - for furnishing riot helmets described herein that provide head protection with comfort, primarily for the Department of Corrections though all agencies and public bodies within the Commonwealth may utilize the contract. As before the contract will be an indefinite quantity, indefinite delivery contract, during which riot helmets shall be delivered if and when ordered to the location identified within the orders. The initial contract period will be two (2) years, with a start date of 10/1/05 thus the 2-year initial period is expected to be 10/1/05 through 9/30/07. Thereafter, the Commonwealth has the option to renew the contract for up to 3 additional one-year periods. The Commonwealth reserves the right to adjust the start date if there is a delay in the award. Currently, approximately 80-90 helmets are being ordered annually by Corrections (last year there were 4 separate orders); however, actual quantities ordered will be delivered. Based on current information, it is assumed that the estimated total contract value will not exceed \$100,000. Quantities and estimates are provided for information purposes only.
