## Terms And Conditions

---

RENEWAL OF CONTRACT: This contract may be renewed by the Commonwealth upon written agreement of both parties for two (2) successive one year periods, under the terms of the current contract, and at a reasonable time (approximately 90 days) prior to the expiration.

PURCHASE VOLUME REPORT-SINGLE AGENCY CONTRACTS: The Contractor shall furnish the Division of Purchases and Supply reports of the total dollar volume of purchases made under this contract and the total number of each contract item ordered under this contract in accordance with the following schedule: 1. The first report shall include purchases made in the first six months of the contract. 2. For contracts of one year, the Contractor shall furnish a second report listing the purchases made in the first nine months of the contract. In addition, for contracts exceeding one year, the Contractor shall furnish reports at the end of each consecutive twelve month period and 90 calendar days prior to the expiration date of the contract. All reports shall be delivered to the Division of Purchases and Supply no later than 14 calendar days after the request has been made by the Division. Reports shall be sent to the attention of the appropriate contract officer. Failure to submit this information in the required time may result in disqualification from bidding on the next solicitation for this contract. (SEE EVALUATION CRITERIA)

PRICE ESCALATION/DE-ESCALATION : Price adjustments may be permitted for changes in the contractor's cost of materials not to exceed the increase in the following index/indices: The Producer's Price Index will be used as a guide. Price adjustments may also be allowed if the Commonwealth institutes an eVA transaction fee to be paid by Vendors effective July 1, 2003. No price increases will be authorized for 180 calendar days after the effective date of the contract, except for the eVA transaction fee. Price escalation may be permitted only at the end of this period and each 180 days thereafter and only where verified to the satisfaction of the purchasing office. However, "across the board" price decreases are subject to implementation at any time and shall be immediately conveyed to the Commonwealth. Contractor shall give not less than 30 days advance notice of any price increase to the purchasing office. Any approved price changes will be effective only at the beginning of the calendar month following the end of the full 30 day notification period.

The contractor shall document the amount and proposed effective date of any general change in the price of materials. Documentation shall be supplied with the contractor's request for increase which will: (1) verify that the requested price increase is general in scope and not applicable just to the Commonwealth of Virginia; and (2) verify the amount or percentage of increase which is being passed on to the contractor by the contractor's suppliers. The purchasing office will notify the using agencies and contractor in writing of the effective date of any increase which it approves. However, the contractor shall fill all purchase orders received prior to the effective date of the price adjustment at the old contract prices. The contractor is further advised that decreases which affect the cost of materials are required to be communicated immediately to the purchasing office.

MINIMUM ORDERS: Minimum order will be Innerspring Units of mixed sizes and types ordered as required.

DELIVERY SERVICE: Delivery of all requested contract items shall be made within 48 hours after pickup of copy. Contractor shall carry an adequate stock at a shipping point sufficiently proximate to delivery destinations to insure such delivery service for the duration of the contract. The Division of Purchases and Supply reserves the right to purchase on the open market and to change any excess in contract price to the contractor in the event the above delivery service requirement is not met.

WARRANTY: All materials and equipment shall be fully guaranteed against defects in material and workmanship for a period of one (1) year following date of delivery. Should any defect be noted by the owner, the Purchasing Office will notify the Contractor of such defect or nonconformance. Notification will state either (1) that the Contractor shall replace or correct, or (2) the owner does not require replacement or correction, but an equitable adjustment to the contract price will be negotiated. If the Contractor is required to correct or replace, it shall be at no cost to the Commonwealth and shall be subject to all provisions of this clause to the same extent as materials initially delivered. If the Contractor fails or refuses to replace or correct the deficiency, the office issuing the purchase order may have the materials corrected or replaced with similar items and charge the Contractor the costs occasioned thereby or obtain an equitable adjustment in the contract price.
