PAYMENT (3 of 4)

PAYMENT (part 3 of 4): b.) The contractor is obligated to pay the subcontractor(s) interest at the rate of one percent

per month (unless otherwise provided under the terms of the contract) on all amounts owed by the contractor that remain unpaid seven (7) days following receipt of payment from the Commonwealth, except for amounts withheld as stated in (2) above. The date of mailing of any payment by U. S. Mail is deemed to be payment to the addressee. These provisions apply to each sub-tier contractor performing under the primary contract. A contractor's obligation to pay an interest charge to a subcontractor may not be construed to be an obligation of the Commonwealth. 3.) Each prime contractor who wins an award in which provision of a SWAM procurement plan is a condition to the award, shall deliver to the contracting agency or institution, on or before request for final payment, evidence and certification of compliance (subject only to insubstantial shortfalls and to shortfalls arising from subcontractor default) with the SWAM procurement plan. Final payment under the contract in question may be withheld until such certification is delivered and, if necessary, confirmed by the agency or institution, or other appropriate penalties may be assessed in lieu of withholding such payment.

PAYMENT (4 of 4)

PAYMENT (part 4 of 4): The Commonwealth of Virginia encourages contractors and subcontractors to accept electronic and credit card payments.

The agency, its authorized agents, and/or state auditors shall have full access to and the right to examine any of said materials during said period.

AVAILABILITY OF FUNDS: It is understood and agreed between the parties herein that the agency shall be bound hereunder only to the extent of the funds available or which may hereafter become available for the purpose of this agreement.

CANCELLATION OF CONTRACT: The purchasing agency reserves the right to cancel and terminate any resulting contract, in part or in whole, without penalty, upon 60 days written notice to the Contractor. In the event the initial contract period is for more than 12 months, the resulting contract may be terminated by either party, without penalty, after the initial 12 months of the contract period upon 60 days written notice to the other party. Any contract cancellation notice shall not relieve the Contractor of the obligation to deliver and/or perform on all outstanding orders issued prior to the effective date of cancellation.

RENEWAL OF CONTRACT: This contract may be renewed by the Commonwealth upon written agreement of both parties for four (4) additional successive one-year periods, under the terms of the current contract, and at a reasonable time (approximately 90 days) prior to the expiration.

PRICE ESCALATION/DE-ESCALATION: Price adjustments may be permitted for changes in the contractor's cost of materials not to exceed the increase in the following PPI Indices: WPU0638 – Chemicals and Allied Products,

Pharmaceutical Preparations. The Producers Price Index Services will be used as a guide to determine increase or decrease. No price increases will be authorized for 365 calendar days after the effective date of the contract. Price escalation may be permitted only at the end of this period and each 180 days thereafter and only where verified to the satisfaction of the purchasing office. However, "across the board" price decreases are subject to implementation at any time and shall be immediately conveyed to the Commonwealth.

Contractor shall give not less than 30 days advance notice of any price increase to the purchasing office. Any approved price changes will be effective only at the beginning of the calendar month following the end of the full 30 day notification period. The contractor shall document the amount and proposed effective date of any general change in the price of materials. Documentation shall be supplied with the contractor's request for increase which will: (1) verify that the requested price increase is general in scope and not applicable just to the Commonwealth of Virginia; and (2) verify the amount or percentage of increase which is being passed on to the contractor by the contractor's suppliers.

The purchasing office will notify the using agencies and contractor in writing of the effective date of any increase which it approves. However, the contractor shall fill all purchase orders received prior to the effective date of the price adjustment at the old contract prices. The contractor is further advised that decreases which affect the cost of materials are required to be communicated immediately to the purchasing office.

DELIVERY SERVICE/PRODUCT STOCK: Delivery of all requested contract items shall be made two (2) calendar days after receipt of purchase order. Contractor shall maintain a 24/7 day delivery period for products ordered under this contract and shall carry an adequate stock to insure such delivery service for the duration of the contract. **Delivery time frame shall become effective 30 days after award to allow for stock build up.**

PURCHASE VOLUME REPORT: The Contractor shall furnish the Division of Purchases and Supply reports of the total dollar volume of purchases by ordering Agency and the total number of each contract item ordered under this contract with dollar amounts on a quarterly basis, i.e., 1st quarter = July, August & September - submit report by October 30th; 2nd quarter = October, November & December - submit report by January 30th.

MINIMUM ORDER: Except when otherwise specified herein all items shall be **FOB Origin** to any point within the Commonwealth of Virginia as directed by the ordering agency or other public body, as defined in Section 2.2-4301 of the Virginia Public Procurement Act, with freight prepaid by the awarded vendor and such freight added to the invoice at the time of submission to the using agency. Partial shipments of less than the minimum order value which are made at the option of the awarded vendor shall be made FOB Destination with freight prepaid by the awarded vendor.

EVA BUSINESS-TO-GOVERNMENT CONTRACTS AND ORDERS: It is anticipated that the contract will result in multiple purchase orders (i.e., one for each agency order and/or delivery requirement) with the eVA transaction fee specified below assessed for each order.

- a. For orders issued prior to August 16, 2006, the Vendor Transaction Fee is 1%, capped at a maximum of \$500 per order.
- b. For orders issued August 16, 2006 and after, the Vendor Transaction Fee is:

The format of this electronic catalog shall conform to the eVA Catalog Interchange Format (CIF) Specification that can be accessed and downloaded from www.eVA.virginia.gov. Contractors should email Catalog or Index Page information to eVA-catalog-manager@dgs.virginia.gov.

ADVERTISING: In the event a contract is awarded for supplies, equipment, or services resulting from this bid/proposal, no indication of such sales or services to the Commonwealth of Virginia or any of its subdivisions will be used in product literature or advertising. The contractor shall not state in any of its advertising or product literature that the Commonwealth of Virginia or any agency or institution of the Commonwealth has purchased or uses its products or services.
