The Commonwealth reserves the right to conduct any tests it may deem advisable and to make all evaluations. The Commonwealth also reserves the right to reject any or all bids, in whole or in part, to waive informalities and to delete items prior to making the award, whenever it is deemed in the sole opinion of the procuring public body to be in its best interest.

**AUTHORIZED DEALER:** By signing this bid, the Bidder certifies that it is a manufacturer authorized fleet dealer/representative for all equipment it proposes to furnish under any resulting contract. If requested by the Commonwealth, the Bidder shall provide supporting evidence from the manufacturer.

**NEGOTIATION WITH THE LOWEST BIDDER:** Unless all bids are cancelled or rejected, the Commonwealth reserves the right granted by § 2.2-4318 of the *Code of Virginia* to negotiate with the lowest responsive, responsible bidder to obtain a contract price within the funds available to the agency whenever such low bid exceeds the agency's available funds. For the purpose of determining when such negotiations may take place, the term "available funds" shall mean those funds which were budgeted by the agency for this contract prior to the issuance of the written Invitation for Bids. Negotiations with the low bidder may include both modifications of the bid price and the Scope of Work/Specifications to be performed. The agency shall initiate such negotiations by written notice to the lowest responsive, responsible bidder that its bid exceeds the available funds and that the agency wishes to negotiate a lower contract price. The times, places, and manner of negotiating shall be agreed to by the agency and the lowest responsive, responsible bidder.

**PRICE ESCALATION/DE-ESCALATION:** Price adjustments may be permitted for changes in the contractor's cost of materials not to exceed the increase in the following index/indices: **PRODUCERS PRICE INDEX WPU1541**. No price increases will be authorized for 365 calendar days after the effective date of the contract. Price escalation may be permitted only at the end of this period and each 365 days thereafter and only where verified to the satisfaction of the purchasing office. However, "across the board" price decreases are subject to implementation at any time and shall be immediately conveyed to the Commonwealth.

Contractor shall give not less than 30 days advance notice of any price increase to the purchasing office. Any approved price changes will be effective only at the beginning of the calendar month following the end of the full 30 day notification period. The contractor shall document the amount and proposed effective date of any general change in the price of materials. Documentation shall be supplied with the contractor's request for increase which will verify that the requested price increase is general in scope and not applicable just to the Commonwealth of Virginia and verify the amount or percentage of increase which is being passed on to the contractor by the contractor's suppliers.

The purchasing office will notify the using agencies and contractor in writing of the effective date of any increase which it approves. However, the contractor shall fill all purchase orders received prior to the effective date of the price adjustment at the old contract prices. The contractor is further advised that decreases which affect the cost of materials are required to be communicated immediately to the purchasing office.

**RENEWAL OF CONTRACT:** This contract may be renewed by the Commonwealth upon written agreement of both parties for four successive one year periods, under the terms of the current contract, and at a reasonable time (approximately 90 days) prior to the expiration.

**BIDDER'S DATA SHEET:** All bids shall be accompanied by a Bidder's Data Sheet (furnished herein, Attachment C)

for each item of schedule on what a bid is submitted unless identical information is applicable to two or more items designated on a single sheet. Information provided by bidders on the Bidder Data Sheet must meet specifications as set forth herein. If the specifications provided fail to meet the specifications as outlined in the solicitation, the product will not be considered for award.

**PRODUCT INFORMATION:** The bidder shall clearly and specifically identify the product being offered and enclose complete and detailed descriptive literature, catalog cuts and specifications with the bid to enable the Commonwealth to determine if the product offered meets the requirements of the solicitation. Failure to do so may cause the bid/proposal to be considered nonresponsive. Agencies may purchase items (printers) so long as such item is not available through VITA.

**BID PRICES:** The bidder shall insert a price for all lots/lines shown on bid. Items in the bid that require a price (this does not include optional equipment) that are left blank may be cause for declaring such bid as non-responsive and removed from further evaluation.

**OPTIONAL EQUIPMENT:** The Contractor's optional equipment cost shall be based on the Manufacturer Suggested Retail Price (MSRP) for each option listed. The contractor **MUST reduce the MSRP no less than 10% or provide the option(s) at the Contractor's cost(s)** . Please provide DPS a list of optional equipment offered by completing **Attachment E**, Optional Equipment, and submit with MSRP pricing or Contractor's cost if applicable. Failure to provide the requested information/pricing may be cause for the bid to be considered non-responsive.

**Options listed on contract are authorized for use by all state agencies, institutions of higher education, public bodies and other entities authorized to use the contract by the Code of Virginia or any other entities as mutually agreed to by all parties.**

**QUANTITIES:** Quantities set forth in this solicitation are estimates only, and the contractor shall supply at bid prices actual quantities as ordered, regardless of whether such total quantities are more or less than those shown.

**MAINTENANCE MANUALS:** The Contractor shall provide, with each system ordered, one complete set of operational, service, programming (if applicable), preventative maintenance, and maintenance manuals; including assembly and wiring diagrams, electrical and electronic schematics, component views, and parts listed on all products offered. These manuals shall include a copy of all warranties.

**TRAINING:** The Contractor shall provide "hands on" equipment operation training at each installation set-up at a time agreed upon by the Contractor and Agency Representative.

**WARRANTY:** The contractor agrees that the goods or services furnished under any award resulting from this solicitation shall be covered by the most favorable commercial warranties the contractor gives any customer for such goods or services and that the rights and remedies provided therein are in addition to and do not limit those available to the Commonwealth by any other clause of this solicitation. A copy of this warranty should be furnished with the submitted bid.

**WORK SITE DAMAGES:** Any damage to existing utilities, equipment or finished surfaces resulting from the performance of this contract shall be repaired to the pre-damage state at the contractor's expense.

**AVAILABILITY OF FUNDS:** It is understood and agreed between the parties herein that the agency shall be bound hereunder only to the extent of the funds available or which may hereafter become available for the purpose of this agreement.

**CANCELLATION OF CONTRACT:** The purchasing agency reserves the right to cancel and terminate any resulting contract, in part or in whole, without penalty, upon 60 days written notice to the Contractor. In the event the initial contract period is for more than 12 months, the resulting contract may be terminated by either party, without penalty, after the initial 12 months of the contract period upon 60 days written notice to the other party. Any contract cancellation notice shall not relieve the Contractor of the obligation to deliver and/or perform on all outstanding orders issued prior to the effective date of cancellation.

**USAGE REPORTS:** The Contractor shall provide a quarterly usage report to DPS. (See Attachment D) This report shall reflect the coal orders placed against the contract for the respective quarter. The Contractor must remit the report within 15 days after the end of each quarterly reporting period. The reporting periods are as follows:

<u>Period:</u>	<u>Report Due:</u>
January 1 – March 31	April 15
April 1 – June 30	July 15
July 1 – September 30	October 15
October 1 – December 31	January 15

If no orders were placed, the Contractor shall provide a usage report stating that no orders were placed against the contract during the specified reporting period.

**EXTRA CHARGES NOT ALLOWED:** The bid price shall be for complete installation ready for the Commonwealth's use, and shall include all applicable freight and installation charges; extra charges will not be allowed.

**FINAL INSPECTION:** At the conclusion of the work, the contractor shall demonstrate to the authorized owners representative that the work is fully operational and in compliance with contract specifications and codes. Any deficiencies shall be promptly and permanently corrected by the contractor at the contractor's sole expense prior to final acceptance of the work.

**INSTALLATION:** All items must be assembled and set in place, ready for use. All crating and other debris must be removed from the premises by the Contractor.

**eVA BUSINESS-TO-GOVERNMENT CONTRACTS AND ORDERS:** It is anticipated that the contract will result in a purchase order (i.e., one for each delivery requirement) with the eVA transaction fee specified below assessed for each order.

- a. For orders issued prior to August 16, 2006, the Vendor Transaction Fee is 1%, capped at a maximum of \$500 per order.
- b. For orders issued August 16, 2006 and after, the Vendor Transaction Fee is:
  - (i) DMBE-certified Small Businesses: 1%, Capped at \$500 per order.
  - (ii) Businesses that are not DMBE-certified Small Businesses: 1%, Capped at \$1,500 per order.

The eVA transaction fee will be assessed approximately 30 days after each purchase order is issued. Any adjustments (increases/decreases) will be handled through eVA change orders.

Internet electronic procurement solution, website portal [www.eva.state.va.us](http://www.eva.state.va.us), streamlines and automates government purchasing activities in the Commonwealth. The portal is the gateway for vendors to conduct business with state agencies and public bodies.

Vendors desiring to provide goods and/or services to the Commonwealth shall participate in the eVA Internet e-procurement solution and agree to comply with the following:

If this solicitation is for a term contract, failure to provide an electronic catalog (price list) or index page catalog for items awarded will be just cause for the Commonwealth to reject your bid/offer or terminate this contract for default. The format of this electronic catalog shall conform to the eVA Catalog Interchange Format (CIF) Specification that can be accessed and downloaded from [www.eVA.virginia.gov](http://www.eVA.virginia.gov). Contractors should email Catalog or Index Page information to [eVA-catalog-manager@dgs.virginia.gov](mailto:eVA-catalog-manager@dgs.virginia.gov).

**Mandatory Acceptance of Small Purchase Charge Card:** Purchasing charge cards offer State agencies and Institutions the opportunity to streamline their procedures for procuring and paying for small dollar goods and services. Vendors responding to this solicitation should note that acceptance of payment by purchase card is **mandatory (unless waived by DPS) within 90 days of contract award.** *For current contracts where acceptance of the purchasing card is not in effect, **Contractors must (unless waived by DPS) accept purchase card payments***

within 90 days of contract renewal.

Payment for orders issued against the contract(s) resulting from this solicitation must allow for the Purchase Order Number to be passed at the time of charge so that the Purchase Order Number is received by the card platform and passed to the Card provider. This can be accomplished by vendors establishing their card account at **Level 2, which is mandatory or Level 3, which is optional.** Information on the various levels for the **Bank of America (BOA) Visa Purchasing Card** is indicated below.

**Charge Card Levels:**

The amount of data passed for each charge card payment depends on the level at which the charge card is established. The levels are delineated below and the preferred level by the Commonwealth is level 2.

**Level 1** vendors provide basic credit card purchase information, including but not limited to the data listed below. By passing "Basic Data", the vendor has a standard interchange cost.

- Supplier Name
- Merchant Category Code
- Date
- Total Purchase Amount

**Level 2** vendors provide additional information to the Level 1 elements, including, but not limited to the data listed below. By passing level 2 detail, the vendor will receive lower interchange costs. Level 2 is **mandatory** for any vendors who do business with the Commonwealth of Virginia and accept **Bank of America (BOA) Visa Purchasing Card.**

- Customer Code (PCO Number from eVA)
- Vendor Tax ID

**Level 3** vendors provide line item detail, in addition to the Level 1 and Level 2 elements, including, but not limited to the data listed below. By passing Level 3 (**which is optional**) data which is considered Superior data, the vendor will receive the lowest interchange costs.

- Item Description
- Item Quantity
- Item Unit of Measure
- Product Code
- Freight Amount
- Extended line Item Amount

**SURCHARGE ADJUSTMENT:**

The Contractor must pay the Department of General Services (DGS), a Surcharge Adjustment (SCA) fee under this Contract. The Contractor must remit the SCA within 30 days after the end of each quarterly reporting. The SCA equals two percent (2%) of the total quarterly sales as previously reported in the Contractor's monthly reports. Contractor shall remit the SCA together with a copy of the Contractor's Report of Sales for the previous quarter. The SCA reimburses the Commonwealth and defrays the costs for Spend Management procurements and the administration of the subsequent awards. The SCA amount due must be paid by check with identification of "Contract number", "report amounts", and "report period", on either the check stub or other remittance material. DGS may at its discretion, agree to an electronic funds transfer, in lieu of a check, however in the absence of an express written agreement from DGS that validates agreement, then the payment shall be made by check as described herein made payable to the Treasurer of Virginia.

Checks are to be payable to: **Treasurer of Virginia.**

Checks are mailed to:  
Department of General Services  
P.O. Box 267  
Richmond, VA 23218-0267

If the full amount of the SCA is not paid within 30 calendar days after the end of the applicable reporting period, it shall constitute a Contract debt to the Commonwealth of Virginia, and the State may exercise all rights and remedies available under law. Failure to submit sales reports, falsification of sales reports, and or failure to pay the SCA in a timely manner may result in termination or cancellation of this Contract. Willful failure or refusal to furnish the required reports, falsification of sales reports, or failure to make timely payment

of the SCA constitutes sufficient cause for terminating this Contract for default.

It is the intent of the Commonwealth to capture 2% of all sales, including but not limited to disposal/recycling, labor, training, materials and other fees for orders placed under this Contract.
