INSTRUCTIONS

1. **Authorized Users:** Unless otherwise instructed by the Division of Purchases and Supply, all departments, institutions, agencies and other public bodies of the Commonwealth of Virginia, to include cities, counties, towns and political subdivisions, may order supplies under this agreement.
2. **Mandatory Sources and Contracts for State Agencies and Institutions:** Virginia Correctional Enterprises (VCE), Virginia Industries for the Blind (VIB), and Virginia Distribution Center (VDC) are mandatory sources for all State Agencies and Institutions. Before purchasing items from this contract State Agencies and Institutions must either verify that VCE, VIB, or VDC does not manufacture the items needed or must get a release from VCE, VIB, or VDC for items that VCE, VIB, VDC produces or stocks. State Agencies and Institutions are required to purchase from other mandatory contracts. State Agencies and Institutions may purchase from this contract when the anticipated dollar expenditure for an item is below the minimum order amount stated in the mandatory contracts. As an example, COV has a mandatory contract for “batteries” with the minimum order amount of \$100.00 below \$100.00 the State Agency or Institution could use this contract to purchase their requirement.
3. **Renewals:** This contract contains **no** remaining renewal periods.
4. **Ordering Instructions:** The orders will be governed by this agreement and the terms and conditions contained in the separate agreement for participation in eVA executed by the contractor. **Agencies, Institutions, and all other governmental bodies shall place all orders against the MRO optional use term contracts through eVA, unless exempted from DPS. The correct Contract Number must be shown on and reported for all contract purchases.** Exclusions for the use of eVA for orders under this contract may be the use of the Small Purchase Charge Card, (SPCC) but only for orders placed over-the-counter, at the place of sale; however, the Vendor must include these purchases in reporting and document the transaction in accordance with the Term and Condition #34: Mandatory Acceptance of Small Purchase Charge Card.
5. **Delivery Service:** This contract contains both market basket and catalog discount pricing. For specific delivery information, refer to the delivery info page. In the event the item is not in stock and the delivery timeframe cannot be met, the Contractor shall contact the ordering activity to ascertain whether or not a back order is acceptable or to void the order.
6. **Inspection/Approval:** Inspection on delivery and approval of Contractor's invoice is the responsibility of receiving State Agency, Institution, or Public Body. If found to be defective or if it fails in any way to meet the specifications of the contract, it may be rejected. The Contractor will replace all rejected material or shortages within ten (10) business days.
7. **Freight Policy:** All shipments are F.O.B. destination. Contractor(s) shall file and expedite all freight claims with the carrier.
8. **Special Service Charges:** Contractors will be permitted to add actual charges to the invoice for orders requiring special services, such as hazardous materials handling, emergency and rush delivery, only if these services and charges are identified to the Contract User prior to the placement of the order and only if the charges are agreed to by the using agency prior to acceptance of the order. Invoices shall indicate the name of the Contract User making the request.
9. **Correcting Errors** – There shall be no return fees for inaccuracies or other errors on the part of the Contractor. **Rush Deliveries.** Any rush delivery that occurs as a result of Contractor’s error (e.g., stock-outs, etc.) shall be free of charge. No handling surcharges will be added or discounts lost for any rush or expedited orders due to Contractor’s error.
10. **Returns:** Any materials delivered in poor condition or in excess of the amount authorized by the purchase

order may, at the discretion of the Contract Users, be returned to the Contractor's warehouse at the Contractor's expense within 30 days. Credit for returned goods shall be made immediately once contractor receives returned goods. Contractor(s) shall not charge Contract Users for returns in the event that incorrect item(s) and/or quantities were shipped by the Contractor.

The Commonwealth of Virginia's General Terms and Conditions and this contracts Special Terms and Conditions take precedent over any return policy statements of the contractor in event of a conflict.

11. **Grainger's Return Policy:** None
12. **Returns With A Restocking Fee:** None
13. **Warranties:** Goods or services furnished under this contract are covered by the most favorable commercial warranties the contractor gives any customer for such goods or services.
14. **Material Safety Data Sheets:** Material Safety Data Sheets and descriptive literature shall be provided as requested by the end user for each chemical and/or compound under the contract.
15. **Special Education or Promotional Discounts:** The contractor shall extend any special educational or promotional sale prices or discounts immediately to the Commonwealth during the term of the contract. Such notice shall also advise the duration of the specific sale or discount price.
16. **Mandatory Acceptance of Small Purchase Charge Card:** Contractor must accept payment by the Commonwealth's small purchase card, Bank of America VISA, (unless waived by DPS) within 90 days of contract award.

Payment for orders issued against the contract(s) must allow for the Purchase Order Number to be passed at the time of charge so that the Purchase Order Number is received by the card platform and passed to the Card provider. Contractor's card account must be at Level 2, which is mandatory or Level 3 which is optional. See the Contract Terms and Conditions for additional information.

Using Agencies must immediately notify the DPS Contract Officer in writing if any party is found out of compliance with this mandatory clause:

64. **FINANCIAL WARRANTY:** Contractor shall ensure that the prices, discounts, incentives, and other financial terms (collectively, the "financial deal") applicable to purchases under this Contract is always at least as favorable to the purchaser as the financial deal that the Contractor or its affiliates make available to any public body in Virginia for the same good(s)/service(s) outside this Contract. Throughout the term of this Contract, if Contractor (or any affiliate) makes a better financial deal available to a public body in Virginia for any good(s)/service(s) available under this Contract, Contractor shall immediately notify DGS of the details and, at DGS's option, sign an amendment to this Contract, so that an equivalent financial deal for the affected good(s)/service(s) is also available as an option under this Contract. Contractor may request exemption if the better financial deal was for a spot purchase, and DGS shall grant such request if DGS in good faith finds that the spot purchase involved special circumstances affecting cost that would make it unfair to apply an equivalent financial deal outside of that spot purchase. Upon DGS's request (and annually on August 1), Contractor shall submit to DGS an affidavit certifying full compliance with this Section. The Contractor (and any affiliate) shall waive any contractual or other right that inhibits any public body in Virginia from disclosing to DGS or others the financial terms made available to the public body, and upon request from DGS, Contractor shall ensure that a signed confirmation of the waiver is provided to the public body and DGS. As used in this Section, an affiliate is any entity that controls, is controlled by, or is under common control with, the Contractor.

The following T&C was added with the renewal effective 5-1-2013;

62. CONTINUITY OF SERVICES:

- a) The Contractor recognizes that the services under this contract are vital to the Agency and must be continued without interruption and that, upon contract expiration, a successor, either the Agency or another contractor, may continue them. The Contractor agrees:
 - (i) To exercise its best efforts and cooperation to effect an orderly and efficient transition to a successor;
 - (ii) To make all Agency owned facilities, equipment, and data available to any successor at an appropriate time prior to the expiration of the contract to facilitate transition to successor; and
 - (iii) That the Agency Contracting Officer shall have final authority to resolve disputes related to the transition of the contract from the Contractor to its successor.
- b) The Contractor shall, upon written notice from the Contract Officer, furnish phase-in/phase-out services for up to ninety (90) days after this contract expires and shall negotiate in good faith a plan with the successor to execute the phase-in/phase-out services. This plan shall be subject to the Contract Officer's approval.
- c) The Contractor shall be reimbursed for all reasonable, pre-approved phase-in/phase-out costs (i.e., costs incurred within the agreed period after contract expiration that result from phase-in, phase-out operations) and a fee (profit) not to exceed a pro rata portion of the fee (profit) under this contract. All phase-in/phase-out work fees must be approved by the Contract Officer in writing prior to commencement of said work.
