INSTRUCTIONS

1. **Authorized Users:** Unless otherwise instructed by the Division of Purchases and Supply, all departments, institutions, agencies and other public bodies of the Commonwealth of Virginia, to include cities, counties, towns and political subdivisions, may order supplies under this agreement.
2. **Mandatory Sources and Contracts for State Agencies and Institutions:** Virginia Correctional Enterprises (VCE), Virginia Industries for the Blind (VIB), and Virginia Distribution Center (VDC) are mandatory sources for all State Agencies and Institutions. Before purchasing items from this contract State Agencies and Institutions must either verify that VCE, VIB, or VDC does not manufacture the items needed or must get a release from VCE, VIB, or VDC for items that VCE, VIB, VDC produces or stocks. State Agencies and Institutions are required to purchase from other mandatory contracts. State Agencies and Institutions may purchase from this contract when the anticipated dollar expenditure for an item is below the minimum order amount stated in the mandatory contracts. As an example, COV has a mandatory contract for “batteries” with the minimum order amount of \$100.00 below \$100.00 the State Agency or Institution could use this contract to purchase their requirement.
3. **Renewals:** The initial term of the contact is two (2) years. This contract contains three (3) successive one-year renewal periods, and at a reasonable time (approximately four to six months) prior to the expiration, the decision as to whether to renew will be made by the contract officer.
4. **Purchase orders:** Agencies, Institutions, and all other governmental bodies shall place all orders against the MRO optional use term contracts through eVA. The orders will be governed by this agreement and the terms and conditions contained in the separate agreement for participation in eVA executed by the contractor. **Exclusion** for the use of eVA for orders under this contract is over-the-counter Small Purchase Charge Card, (SPCC) made at the point of sale and picked up by the individual card holder.
5. **Delivery Service:** This contract contains both market basket and catalog discount pricing. For specific delivery information, refer to the delivery info page. In the event the item is not in stock and the delivery timeframe cannot be met, the Contractor shall contact the ordering activity to ascertain whether or not a back order is acceptable or to void the order.
6. **Inspection/Approval:** Inspection on delivery and approval of Contractor's invoice is the responsibility of receiving State Agency, Institution, or Public Body. If found to be defective or if it fails in any way to meet the specifications of the contract, it may be rejected. The Contractor will replace all rejected material or shortages within ten (10) business days.
7. **Freight Policy:** All shipments are F.O.B. destination. Contractor(s) shall file and expedite all freight claims with the carrier.
8. **Special Service Charges:** Contractors will be permitted to add actual charges to the invoice for orders requiring special services, such as hazardous materials handling, emergency and rush delivery, only if these services and charges are identified to the Contract User prior to the placement of the order and only if the charges are agreed to by the using agency prior to acceptance of the order. Invoices shall indicate the name of the Contract User making the request.
9. **Correcting Errors** – There shall be no return fees for inaccuracies or other errors on the part of the Contractor. **Rush Deliveries.** Any rush delivery that occurs as a result of Contractor’s error (e.g., stock-outs, etc.) shall be free of charge. No handling surcharges will be added or discounts lost for any rush or expedited orders due to Contractor’s error.

10. **Returns:** Any materials delivered in poor condition or in excess of the amount authorized by the purchase order may, at the discretion of the Contract Users, be returned to the Contractor's warehouse at the Contractor's expense within 30 days. Credit for returned goods shall be made immediately once contractor receives returned goods. Contractor(s) shall not charge Contract Users for returns in the event that incorrect item(s) and/or quantities were shipped by the Contractor.

The Commonwealth of Virginia's General Terms and Conditions and this contracts Special Terms and Conditions take precedent over any return policy statements of the contractor in event of a conflict.

11. **Grainger's Return Policy:** None
12. **Returns With A Restocking Fee:** None
13. **Warranties:** Goods or services furnished under this contract are covered by the most favorable commercial warranties the contractor gives any customer for such goods or services.
14. **Material Safety Data Sheets:** Material Safety Data Sheets and descriptive literature shall be provided as requested by the end user for each chemical and/or compound under the contract.
15. **Special Education or Promotional Discounts:** The contractor shall extend any special educational or promotional sale prices or discounts immediately to the Commonwealth during the term of the contract. Such notice shall also advise the duration of the specific sale or discount price.
16. **Mandatory Acceptance of Small Purchase Charge Card:** Contractor must accept payment by the Commonwealth's small purchase card, Bank of America VISA, (unless waived by DPS) within 90 days of contract award.

Payment for orders issued against the contract(s) must allow for the Purchase Order Number to be passed at the time of charge so that the Purchase Order Number is received by the card platform and passed to the Card provider. Contractor's card account must be at Level 2, which is mandatory or Level 3 which is optional.
