## Contract Instructions

---

1. This is a **mandatory use contract** as indicated on page one of this notice and if the commodity or services available under this contract cannot be used by an agency, a request to purchase other goods or services of a similar nature shall be submitted to the appropriate DGS/DPS contract/purchase officer for approval. A complete and factual written justification is necessary to support the request. Refer to Section 13.7 of the *Agency Procurement and Surplus Property Manual*.
2. Unless otherwise instructed by the Division of Purchases and Supply, all departments, institutions and agencies of the Commonwealth of Virginia shall order the items listed by issuing purchase orders through eVA.
3. If this contract is authorized for use by localities, Virginia cities, counties, towns and political subdivisions they may use this contract if the purchase orders are placed in eVA.
4. When placing an eVA non-catalog order, each line of the requisition must be identified with the contract item number, the contract item description and the contract number. The contract number should be inserted in the contract number field.
5. Inspection on delivery and approval of vendor's invoice is the responsibility of the receiving entity.
6. Any complaint as to quality, faulty or delinquent delivery, or violation of contract provisions by contractor shall be reported by the contract user directly to the contractor, with a copy provided to the Division of Purchases and Supply. Preprinted forms (DGS-41-024), by which to facilitate the notification of the contractor and this office of complaints, are available from the Division of Purchases and Supply (804) 225-4045. The electronic version may be downloaded from the internet at the following link: <http://eva.virginia.gov/learn-about-eva/files/VendorComplaintForm.doc>
7. There are 0 contract renewals remaining within the contract.
8. Price Adjustments: During the current term of the contract, price escalation may be allowed every 365 days, if justified. The contract officer makes the decision to allow or deny a request for increase based upon the documentation submitted by the contractor. The contractor is required to pass on any price reductions immediately. **IMPORATANT!** All price increases must be approved by the contract officer. Contract users

will be sent a Notice of Contract Change from this office as official notification of such changes, if approved.

9. **Warranty:** All equipment is warranted against defective parts and materials for three (3) years from the date of acceptance, excluding vandalism. All parts proving defective within the warranty period shall be replaced without charge by the Contractor. All labor and related costs to correct defective parts, materials, and performance shall be provided without charge by the Contractor for a minimum period of ninety (90) days from the date of acceptance. The Commonwealth will be responsible for transportation costs on parts returned by the Commonwealth to the contractor during warranty period. Contractor shall be responsible for transportation costs for replacement of parts and materials sent back to the Commonwealth which are found to be defective during warranty period. Contractor response to warranty issues shall be made within 24 hours of initial contact from agency or public body. Warranty repairs shall be completed within 72 hours after notification by agency or public body, unless otherwise agreed to by the Commonwealth. Repair and replacement parts shall be readily available for at least ten (10) years following acceptance of the equipment.
  10. **Catalogs:** Upon request, the contractor shall furnish catalogs and price lists for items awarded directly to using agencies.
  11. **Delivery:** All items shall be F.O.B. Delivered to any point within the Commonwealth of Virginia as directed by ordering department, institution or agency of the Commonwealth or Public bodies of the Commonwealth as defined in Section 2.2-4301 of the Virginia Public Procurement Act. The contractor is responsible, at no extra charge, for delivery of the equipment to the loading dock of the ordering agency or public body, and for the removal of the equipment from the delivery truck onto the loading dock.
  12. **Maintenance Manuals:** The Contractor shall provide with each piece of equipment an operations and maintenance manual, parts list, and a copy of all warranties.
