SPECIAL TERMS AND CONDITIONS

SCOPE: The purpose of this invitation is to solicit SEALED bids whereby a 1-year term contract (with 4 additional optional 1-year renewal periods) may be established for furnishing DPS M-115 Interoffice Envelopes, and necessary services described herein, for the Virginia Distribution Center in Sandston, VA, if and when ordered, during the contract period of **June 1, 2008** through **May 31, 2009**. The award will be made on a "Grand Total" basis. If you are NOT submitting your response electronically, see Term and Condition - SEALED PAPER SUBMISSION.

AWARD: The purchasing office will make the award to the lowest responsive and responsible bidder on a grand total basis. Due consideration will be given to price, quality as judged by samples submitted, and/or previous experience, and the ability of the bidder to render required services. The purchasing office reserves the right to conduct any tests it deems advisable and to make all evaluations. The purchasing office also reserves the right to reject any or all bids, in whole or in part, to waive informalities and to delete items prior to making the award, whenever it is deemed in the opinion of the procuring public body to be in its best interest.

DELAYS IN AWARD: The Commonwealth intends to award a contract with an initial term of one year. Delays in award, beyond the anticipated starting date, may result in a change in the contract period indicated in the solicitation. If this situation occurs, a contract may be awarded for less than the initial term.

BID ACCEPTANCE PERIOD: Any bid in response to this solicitation shall be valid for 30 days. At the end of the 30 days the bid may be withdrawn at the written request of the bidder. If the bid is not withdrawn at that time it remains in effect until an award is made or the solicitation is cancelled.

ADDITIONAL INFORMATION: The Commonwealth reserves the right to ask any bidder to submit information missing from its bid, to clarify its bid, and to submit additional information which the Commonwealth deems desirable.

REFERENCES: As a verification of the bidder's ability to satisfactorily perform under any resulting contract and to establish to the Commonwealth its ability to produce printing and mailings of similar complexity, the Division of Purchases and Supply reserves the right to request recent references and/or representative samples of similar publications as offered in this invitation. The award of any resulting contract may be based on an examination of the quality of sample publications and/or references submitted to the division within 10 calendar days after request for such samples. Failure to submit samples within the

specified calendar days may cause bid to be considered non responsive. Samples shall have been produced on the same equipment and in the same plant as bidder proposes for this work. The inspection, verification and acceptance by the Commonwealth of any samples or references prior to contract award shall not relieve the contractor for full performance under any part of this specification.

RENEWAL OF CONTRACT: At the sole discretion of the Division of Purchases and Supply, and at a reasonable time (approximately 90 days) prior to its expiration date, this contract may be renewed up to four (4) additional one-year periods, upon agreement of both parties.

QUANTITIES: Quantities set forth in this solicitation are estimates only, and the contractor shall supply at bid prices actual quantities as ordered, regardless of whether such total quantities are more or less than those shown.

ORDERS: The Virginia Distribution Center will place orders through eVA.

DELIVERY POINT: All items shall be F.O.B. delivered per specification.

AVAILABILITY OF FUNDS: It is understood and agreed between the parties herein that the agency shall be bound hereunder only to the extent of the funds available or which may hereafter become available for the purpose of this agreement.

AUDIT: The contractor shall retain all books, records, and other documents relative to this contract for five years after final payment, or until audited by the Commonwealth of Virginia, whichever is sooner. The agency, its authorized agents, and/or state auditors shall have full access to and the right to examine any of said materials during said period.

PURCHASE DOLLAR REPORT: The contractor shall furnish the Division of Purchases and Supply a statement covering the total dollar volume of purchases made under this contract at approximately 90 days prior to the contract expiration.

PURCHASE VOLUME REPORT: The contractor shall furnish the Division of Purchases and Supply a report of the total number of each contract item delivered under this contract at approximately 90 days prior to the contract expiration.

CANCELLATION OF CONTRACT: The purchasing agency reserves the right to cancel and terminate any resulting contract, in part or in whole, without penalty, upon 60 days written notice to the contractor. In the event the initial contract period is for more than 12 months, the resulting contract may be terminated by either party, without penalty, after the initial 12 months of the contract period upon 60 days written notice to the other party. Any contract cancellation notice shall not relieve the contractor of the obligation to deliver and/or perform on all outstanding orders issued prior to the effective date of cancellation.

CLASS 2 - GOOD QUALITY PRINTING: This class shall be used for the majority of black and white or one color jobs where no critical registration is required or when no colors overprint. Multiple color jobs may be classified as "Class 2." Original copy is uniform and may have medium lines and drawings, medium-sized halftones and screens, medium-sized reverses and solid areas. Normally halftones and screen tints would be produced with 120 or 133 line screens. Metallic inks and process work are not generally

included in the class. Normally metal plates and negatives are required. No cut lines or spots are acceptable. Finishing and bindery operations shall be of the same good quality.

OWNERSHIP OF PRINTING MATERIALS: All artwork, camera-ready copy, negatives, dies, photos, and similar materials used to produce a printing job shall become the property of the Commonwealth. Any furnished materials shall remain the property of the Commonwealth. All such items and materials shall be delivered to the Virginia Distribution Center in usable condition after completion of the work, and prior to submission of the invoice for payment.

PRINTING PICKUPS/DELIVERIES: Contractor shall be responsible for all pickups and deliveries of all materials.

CHANGES TO THE CONTRACT: Any change(s) to the specifications, whether at the suggestion of the Virginia Distribution Center or the contractor must be approved by the Agency AND the Division of Purchases and Supply prior to execution of the change(s).

PRICE ESCALATION/DE-ESCALATION: Price adjustments may be permitted only for changes in the contractor's cost of paper, not to exceed the increase in the PPI index. No price increases will be authorized for 365 days (1 year) after the effective date of the contract. Price escalation may be permitted only at the end of this period and each 180 days thereafter and only when verified to the satisfaction of the purchasing office. The contract officer makes the decision to allow or deny a request for increase based upon the documentation submitted by the contractor. However, "across the board" price decreases are subject to implementation at any time and shall be immediately conveyed to the Commonwealth. Contractor shall give not less than 30 days advance notice of any price increase to the purchasing office. Any approved price changes will be effective only at the beginning of the calendar month following the end of the full 30 day notification period. The contractor shall document the amount and proposed effective date of any general change in the price of materials. Documentation shall be supplied with the contractor's request for increase which will: (1) verify that the requested price increase is general in scope and not applicable just to the Commonwealth of Virginia; and (2) verify the amount of percentage of increase which is being passed on to the contractor by the contractor's suppliers. The purchasing office will notify the using agencies and the contractor in writing of the effective date of any increase which it approves. However, the contractor shall fill all purchase orders received prior to the effective date of the price adjustment at the old contract prices. The contractor is further advised that decreases which affect the cost of materials are required to be communicated immediately to the purchasing office.

All invoices shall show the state contract number and/or purchase order number; social security number (for individual contractors) or the federal employer identification number (for proprietorships, partnerships, and corporations). b.)
