“After the contract has been in effect for 60 days the Contractor will be allowed to adjust the **transportation charge** monthly by the percentage change in the chart. All decreases in the diesel fuel index which affect the cost of diesel shall be given to the end user. The Contractor shall provide written (email, fax, or letter) documentation to the Contracting Officer and each affected End User each month a change is incorporated which will verify that the fuel surcharge increase/decrease for the month is based on the actual increase/decrease from the **bid base price**. Adjustments shall be shown as \$ (currency) adjustment based on the percentage increase/decrease.”
