## INSTRUCTIONS

1. Purchase orders will be submitted to the Contractor via the Commonwealth of Virginia's electronic procurement system, also known as eVA. The orders will be governed by this agreement and the terms and conditions contained in the separate agreement for participation in eVA executed by the contractor. If this contract is authorized for use by localities, Virginia cities, counties, town and political subdivisions may use this contract only if the orders are placed through eVA.

Written Purchase Orders Required by the Contractor. **When required by the contractor**, state agencies and public bodies will supply written purchase order forms for orders under \$5,000.

Verbal/Facsimile Orders. When a written purchase order is not required by the contractor, state agencies have the authority to place verbal and/or facsimile orders for requirements valued at less than \$5,000.

2. If this contract is authorized for use by localities (see line item 6, page 1), Virginia cities, counties, towns and political subdivisions may use their own form to order items listed in this contract.
3. The applicable contract number, federal employer identification number (FEI), and item number (for itemized contracts) must be shown on each purchase order and copy, each facsimile transmission or given verbally when telephonic orders are placed.
4. Inspection on delivery and approval of vendor's invoice is the responsibility of receiving state agency, Virginia city, county, town or political subdivision.
5. Any complaint as to quality, faulty or delinquent delivery, or violation of contract provisions by contractor shall be reported to the Division of Purchases and Supply for handling with the contractor. Preprinted forms (DGS-41-024), by which to facilitate the notification of the contractor and this office of complaints, are available from the Division of Purchases and Supply (786-8873).
6. Renewals. No renewals remain.
7. Price Adjustments. During the current term of the contract, price escalation may be allowed every 365 days, if justified. The contract officer makes the decision to allow or deny a request for increase based upon the documentation submitted by the contractor. The contractor is required to pass on any price reductions immediately. **IMPORTANT!** All price increases must be approved by the contract officer. Contract users will be sent a Notice of Contract Change from this office as official notification of such changes, if approved.
8. **PRICING:** Pricing is 50% off Kerr's current wholesale list price.
9. **ORDER PLACEMENT:**

### Prime Vendor

Approved State facilities will use the prime vendor, Cardinal Health 110, Inc., 7000 Cardinal Place, Dublin, OH 43017, 1-(800) 334-5529; Fax (336) 834-5301. The balance of the state agencies will continue to buy their needs on a direct basis at 50% off whole sale list price. Additional agencies may be added during the contract period with an approved MMCAP Application Form. The committed agencies purchase approximately ninety (90) percent of volumes against this contract.

10. **DELIVERY:**

- A) **DIRECT PURCHASES:** All direct orders shall be shipped complete to the agency or department within seven (7) calendar days after receipt of purchase order. Failure to meet this requirement may be regarded as being in default of the contract. Two defaults during the period of the contract may be cause for removal from the Commonwealth's bidders list for the following contract year and the cancellation of the items and awarded to other parties in accordance with the default clause procedures.
- B) **PRIME VENDOR:** All orders placed by the Commonwealth's prime vendor shall be shipped complete to their stated delivery point within 7 calendar days after receipt of purchase order.
