

Service Rate Schedule Summary Report for Chemical Waste Disposal Services

Definitions of Chemical Waste Disposal Services

Waste Service Type	Waste Service Definition
Load and Go -Containers	Pricing per container to be inclusive of vendor providing disposal, personnel, equipment, labels, documentation (manifest, LDRs, etc.), vehicles and other materials to provide for service. No extraneous fees (mobilization, per diem, etc.). All invoices are to be billed as prices per unit picked up and shall include all necessary costs. The waste will be already properly packaged for shipment per DOT regulation (other than labels and marking). If the waste is NOT already properly packaged for shipment, the vendor may charge per the terms of the contract for supplies and labor to properly package the waste for shipment.
Turnkey Service	Pricing per container to be inclusive of vendor providing disposal, transportation, containers, equipment, labels, documentation (manifest, LDRs, etc.), vehicles and other materials to provide for service. The waste may be required to be packaged by the vendor. The vendor may charge per the terms of the contract for labor (on site time only)
Household Hazardous Waste	Pricing per container to be inclusive of vendor providing all disposal, personnel, transportation, containers, equipment, labels, documentation (manifest, LDRs, etc.), vehicles and other materials to provide for service. All invoices are to be billed as prices per unit picked up and shall include all necessary costs other than HWW Event charge.
Household Hazardous Waste - Event charge	Pricing should include all costs for set up and managing the event. This includes all materials and equipment to run the event (tents, forklift, vehicle, PPE, spill control, etc.). Also this includes all travel expenses, lodging, meals and associated costs to fully mobilize a sufficient labor force by start time at the drop-off site on the collection day(s).
Labor	Pricing is for onsite time for Turnkey Service or Load and Go -Containers where the waste NOT already properly packaged for shipment. This pricing schedule should NOT be utilized when providing "Household Hazardous Waste" service since the labor cost is already included.
Supplies -Packaging	Materials that may be ordered by the Commonwealth to prepare waste for shipment. This pricing schedule should NOT be utilized when providing "Turnkey Service" or "Household Hazardous Waste" services since the container cost is already included. If the "Load and Go -Containers" waste is NOT already properly packaged for shipment, the vendor may charge per the terms of the contract for supplies and labor to properly package the waste for shipment.
Training	See Training tab for training prices.
Sampling, analytical	Pricing includes sample prep and analysis. Turnaround times reflect the working days after the sample receipt. Turnaround times may be effect by analytical methodology.
Bulk loads	For this contract, bulk loads are defined as containers larger than 1.6 cubic yards. Pricing per unit to be inclusive of vendor providing disposal, personnel, equipment, labels, documentation (manifest, LDRs, etc.), vehicles and other materials to provide for service.
Partwashers	Pricing per service interval to be all inclusive of vendor providing disposal, solvent, personnel, equipment (unless it is customer owned part washer), labels, documentation (manifest, LDRs, etc.), vehicles and other materials to provide for service. No extraneous fees (mobilization, per diem, etc.). All invoices are to be billed as prices per unit picked up and shall include all necessary costs.
Special Services	Pricing is for personnel, equipment, documentation (permits, safety plans, etc.), vehicles and other materials to provide for service. This pricing does NOT include offsite disposal.
