Thomas Footnotes										

All Air Conditioning options require 78" headroom plywood floor, tinted glass and either a 200 amp or 270 amp alternator.
Floor mounted tracking requires plywood floor and the appropriate number of track seat attachments and/or wheelchair tiedown devices
Flat floor option requires air ride suspension, 255/70R22.5 tires & plywood floor.
C2 Model upgrade requires electric powered door, 78" headroom option & flat black window frames
On 34 & 52 passenger units the air brake option upgrade is required for the following options:

1. Increased front brake lining
2. Rear Air ride suspension
3. Manual transmission deduct (unless waiver granted from VA DOE)
4. Abs w/traction control
5. Air operated entrance door
6. Flat floor
7. On spot automatic chains

If wheelchair lift is ordered a side door (60" or 68") must be ordered.
TBB Online is a Parts & Service Online
Two way radio prices can be quoted on an as specified basis. There are too many variables involved to quote a blanket price on this type of radio

Thomas Footnotes									
All Air Conditioning options require 78" headroom plywood floor, tinted glass and either a 200 amp or 270 amp alternator.									
Floor mounted tracking requires plywood floor and the appropriate number of track seat attachments and/or wheelchair tiedown devices									
Flat floor option requires air ride suspension, 255/70R22.5 tires & plywood floor.									
C2 Model upgrade requires electric powered door, 78" headroom option & flat black window frames									
On 34 & 52 passenger units the air brake option upgrade is required for the following options:									
	1. Increased front brake lining								
	2. Rear Air ride suspension								
	3. Manual transmission deduct (unless waiver granted from VA DOE)								
	4. Abs w/traction control								
	5. Air operated entrance door								
	6. Flat floor								
	7. On spot automatic chains								
If wheelchair lift is ordered a side door (60" or 68") must be ordered.									
TBB Online is a Parts & Service Online									
Two way radio prices can be quoted on an as specified basis. There are too many variables involved to quote a blanket price on this type of radio

Thomas Footnotes										
All Air Conditioning options require 78" headroom plywood floor, tinted glass and Floor mounted tracking requires plywood floor and the appropriate number of track										
Flat floor option requires air ride suspension, 255/70R22.5 tires & plywood floor.										
C2 Model upgrade requires electric powered door, 78" headroom option & flat black										
On 34 & 52 passenger units the air brake option upgrade is required for the following										
1. Increased front brake lining										
2. Rear Air ride suspension										
3. Manual transmission deduct (unless waiver granted from VA DOE)										
4. Abs w/traction control										
5 Air operated entrance door										
6. Flat floor										
7. On spot automatic chains										
If wheelchair lift is ordered a side door (60" or 68") must be ordered.										
TBB Online is a Parts & Service Online										
Two way radio prices can be quoted on an as specified basis. There are too many

Thomas Footnotes									
All Air Conditioning options require 78" headroom plywood floor, tinted glass and									
Floor mounted tracking requires plywood floor and the appropriate number of track									
Flat floor option requires air ride suspension, 255/70R22.5 tires & plywood floor.									
C2 Model upgrade requires electric powered door, 78" headroom option & flat black									
On 34 & 52 passenger units the air brake option upgrade is required for the following									
1. Increased front brake lining									
2. Rear Air ride suspension									
3. Manual transmission deduct (unless waiver granted from VA DOE)									
4. Abs w/traction control									
5. Air operated entrance door									
6. Flat floor									
7. On spot automatic chains									
If wheelchair lift is ordered a side door (60" or 68") must be ordered.

Thomas Footnotes									
All Air Conditioning options require 78" headroom plywood floor, tinted glass and either									
Floor mounted tracking requires plywood floor and the appropriate number of track seat									
Flat floor option requires air ride suspension, 255/70R22.5 tires & plywood floor.									
C2 Model upgrade requires electric powered door, 78" headroom option & flat black									
On 34 & 52 passenger units the air brake option upgrade is required for the following									
1. Increased front brake lining									
2. Rear Air ride suspension									
3. Manual transmission deduct (unless waiver granted from VA DOE)									
4. Abs w/traction control									
5. Air operated entrance door									
6. Flat floor									
7. On spot automatic chains									
If wheelchair lift is ordered a side door (60" or 68") must be ordered.

Thomas Footnotes									
All Air Conditioning options require 78" headroom plywood floor, tinted glass and Floor mounted tracking requires plywood floor and the appropriate number of track									
Flat floor option requires air ride suspension, 255/70R22.5 tires & plywood floor.									
C2 Model upgrade requires electric powered door, 78" headroom option & flat black									
On 34 & 52 passenger units the air brake option upgrade is required for the following									
1. Increased front brake lining									
2. Rear Air ride suspension									
3. Manual transmission deduct (unless waiver granted from VA DOE)									
4. Abs w/traction control									
5. Air operated entrance door									
6. Flat floor									
7. On spot automatic chains									
If wheelchair lift is ordered a side door (60" or 68") must be ordered.									
TBB Online is a Parts & Service Online									
Two way radio prices can be quoted on an as specified basis. There are too many
