- 16. NOTICE TO ALL STATE AGENCIES: This contract is the result of a competitive bid program and its use is mandatory for all State Agencies (unless otherwise indicated in item 6 above) in the purchase of any commodity listed herein. If the commodity or services available under this contract cannot be used by an agency, a request to purchase other goods or services of a similar nature shall be submitted to the appropriate DGS/DPS contract/purchase officer for approval. A complete and factual written justification is necessary to support the request. Refer to Section 13.7a of the Agency Procurement and Surplus Property Manual.
- 17. **Note:** This public body does not discriminate against faith-based organizations in accordance with the *Code of Virginia*, § § 2.2-4343.1 or against a bidder because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment.

INSTRUCTIONS

1. **Purchase orders will be submitted to the contractor via the Commonwealth of Virginia's electronic procurement system, also known as Eva. The orders will be governed by this agreement and the terms and conditions contained in the separate agreement for participation in Eva executed by the contractor. If this contract is authorized for use by localities, Virginia cities, counties, town and political subdivisions may use this contract only if the orders are placed through Eva.**
2. Inspection on delivery and approval of vendor's invoice is the responsibility of receiving state agency, Virginia City, county, town or political subdivision.
3. Any complaint as to quality, faulty or delinquent delivery, or violation of contract provisions by contractor shall be reported to the Division of Purchases and Supply for handling with the contractor. Form "Complaint to State Vendor" (DGS-41-024), by which to facilitate the notification of the contractor and this office of complaints, is available from the Division of Purchases and Supply website www.dgs.state.va.us (Click on DPS icon, click on DPS forms).
4. Renewals. **Four (4)** one year renewals remain. The decision as to whether to exercise the next renewal option will be made by the contract officer approximately four to six months in advance of the expiration date of the current term.
5. Any changes whether for increases or decreases in pricing, delivery terms or additional options must be approved by the Division of Purchases and Supply in advance of issuance of the purchase order. Disputes between the ordering agency and the vendor will be resolved in accordance with the terms of the contract and any change orders/renewals unless prior approval was granted by DPS.
6. **This contract was bid by the vendor with the understanding that the dealer is not required to maintain an inventory of vehicles for this contract. The dealer factory orders the vehicles. Thus, purchasers are encouraged to order vehicles early in the contract cycle. The build out date is the last date that a dealer can order a vehicle. This date is some times adjusted by the manufacturer due to production changes. Please check the build out date before ordering.**
7. If you need to cancel an order, cancel it early in the process. After a vehicle has been on order for a short time, (usually about 10 days), the manufacturer will not accept a cancellation.

COMMONWEALTH OF VIRGINIA
VIRGINIA DEPARTMENT OF GENERAL SERVICES
VIRGINIA STATE POLICE
DODGE CHARGER POLICE VEHICLE, 2006 MODEL
SPECIFICATIONS

This specification is for the Dodge Charger Police Car. The specifications are written to meet the needs of the Virginia State Police; however, the contract resulting from this bid will be made available for use by any law enforcement agency or the Commonwealth and its political subdivisions. The requirements below are for the base vehicle. It should be noted that certain features are available only to the Virginia State Police.

All components, unless otherwise required by these specifications, shall be the standard or optional equipment specifically advertised and installed by the manufacturer for the police vehicle which the bidder proposes to furnish. The sole source of information in determining whether or not the equipment is specifically advertised for the vehicle being offered shall be the manufacturer's published police vehicle literature.

Any equipment called for in these specifications which is not listed by the manufacturer as standard or optional for the police model being offered is subject to buyer approval.

NOTE For Bidders: Not all equipment required by this specification is factory installed. Certain items are not available from Dodge. It is your responsibility to review this specification in detail to insure that you have outside sources of supply where necessary and the capability to fulfill the dealer installation for these items.
